Filing Requirements

If you live or reside in a RITA municipality during any part of the year, you must file a return with RITA unless you are eligible to file a Declaration of Exemption.

Non-residents must file Form 37 if they conducted business in a RITA municipality or earned wages in a RITA municipality from which no local tax was withheld. You conducted business in a RITA municipality if you earned self-employment, farm or rental income in a RITA municipality.

You may owe municipal income tax to both the municipality where you lived (your resident municipality) and to the municipality where you worked or conducted business (your work municipality).

An annual return is required whether you have tax due or not. If you had no taxable income, complete an exemption form, which is available at www.ritaohio.com.

When to File

The filing deadline for Form 37 is April 17th for all RITA municipalities. If you file later than April 17th and did not file an extension, you may be subject to penalties and interest.

Extensions of Time to File

A copy of your federal extension filed with RITA no later than April 17th will extend the municipal filing due date to November 30. **If you have an extension of time to file, the tax you owe is still due by April 17th.** You may make a payment with your extension request.

Extensions of time to file have no effect on the due dates of the 2012 estimated taxes. If you file an extension request, your first 2012 estimated tax payment is still due April 17, 2012. If you file for an extension and you expect to owe estimated taxes for 2012, file Form 32, Declaration of Estimated Income Tax, with your first quarter estimated payment by April 17th. You can download a copy of Form 32 at www.ritaohio.com.

Penalty and Interest

In accordance with city ordinance, penalty and interest will be charged for failure to file a return and to pay taxes, including estimated taxes for the current tax year. See the instructions for Line 20A for the minimum estimated tax requirements.

If your estimated payments are not equal to or greater than your prior year's total tax liability or 90% of your current year's total tax liability, you will be subject to penalty and interest assessments.

Refund or Credit

Indicate whether you want an overpayment of your 2011 tax to be credited towards your 2012 estimate or refunded to you by checking the appropriate box on the front page of Form 37.

Tax Refunds

If you are requesting a refund for:

- Overpayment of **Estimated Tax Payments:** complete Form 37 or 37B.
- **Excess payroll withholding tax** (including tax withheld for a person under 18 years of age): Complete Form 10A. Obtain forms at www.ritaohio.com.
- **Employee Business Expenses, Form 2106:** complete Form 10A.

Note: Refunds received from your work city may affect the tax due to your resident municipality.

Taxable Income

- **Qualifying wages**, which include: wages, salaries, commissions, stock options, severance pay, other compensation including fees, sick pay, bonuses and tips whether or not your W-2 form shows this income as taxable for local tax purposes. Your contributions to retirement plans, annuities, deferred compensation, 401k or individual retirement accounts are taxable whether or not your W-2 form shows this income as taxable. For most taxpayers, qualifying wages cannot be less than Medicare wages. For taxpayers receiving income related to stock options, qualifying wages cannot be less than the *greater* of the federal taxable wages or the Medicare wages shown on the W-2.
- **Dividend and property distributions from Subchapter S corporations.** Distributive shares that do not represent wages are generally not taxable and should not be reported on Form 37. For exceptions, see the instructions for Schedule J, Line 24.
- **Self-employment, farm income and a partner's share of a partnership's income.**
- **Rents and lottery/gambling winnings** to the extent they are taxable as provided by ordinance. *See the Special Notes at www.ritaohio.com for specific municipality information.*
- Employer provided **supplemental unemployment benefits** (sub pay).
- **Income from grazing, oil and gas rights.**

Warning: Income reported is subject to verification by the IRS. Non-reporting or underreporting of income will result in assessments of penalty and interest as provided by local ordinances.

Schedule J Instructions

What Constitutes Net Profits: Net Profits shall be determined on the basis of the information used for Federal Income Tax purposes, adjusted to the requirements of the ordinance of a RITA municipality. Expenses attributable to nontaxable income are not deductible. Gains and losses from the sale or exchange of capital assets to the extent recognized as capital gains or losses for Federal Income tax purposes are generally not to be considered in arriving at net profits.

How to Treat a Net Loss: The portion of a net operating loss sustained in any taxable year, allocable to a RITA municipality may be applied against the portion of the net profit of the succeeding year(s) allocable to the same RITA municipality until exhausted, but in no event for more than five (5) years. *For a list of municipalities that have exceptions to the five (5) years loss carried forward rule, see the Special Notes on page 7 and at www.ritaohio.com for specific information.* No portion of a net operating loss shall be carried back against net profits of any prior year. The portion of a net operating loss sustained shall be allocable to a RITA municipality in the same manner as provided herein for allocating net profits to the taxing municipality. No portion of a net operating loss shall be offset against W-2 income.

LINE 23 – List all income from Federal Schedule C. If you operate your business in more than one municipality, you must allocate your income between each municipality in Columns 1 through 5. Attach additional copies of Schedule J if you need more columns. Be sure to attach a copy of your Federal Schedule C.

Note: You may not reduce your Schedule C net profit by one-half of self-employment tax, Federal Form 1040 adjustment allowed by the IRS.

LINE 24 – List all rental and partnership income from Federal Schedule E. If your business is conducted in more than one municipality, you must allocate your income in Columns 1 through 5. Be sure to attach a copy of your Federal Schedule E.

S-Corporation distributive shares that do not represent wages are generally not taxable and should not be reported on Schedule J (Form 37).

Exceptions: Residents of Fairport Harbor, Perry, Richmond Heights, Riverside, or Yellow Springs should report

their entire distributive share as taxable on Schedule J (Form 37). Residents of the following municipalities should report only the Ohio S corporation distributive shares on Schedule J (Form 37): Avon, Avon Lake, Boston Heights, Brooklyn Heights, Campbell, Chagrin Falls, Cuyahoga Heights, East Palestine, Fremont, Gahanna, Highland Heights, Jackson Center, Johnstown, Lakemore, Macedonia, Maple Heights, Mentor, Oakwood, Powell, Seven Hills, Sheffield, Sheffield Lake, South Euclid, Streetsboro, Twinsburg, Valley View, Willoughby, Willoughby Hills or Woodmere. S-Corporations must file a municipal net profit income tax return to report taxable income (loss) and pay any municipal income tax due thereon.

Income from Rents: If you have rental property located in a RITA municipality and are receiving gross monthly rentals in excess of \$250.00 per month from any and all properties within that municipality, you are considered to be engaged in a business activity and the net income is subject to the tax whether or not you are a resident of a RITA municipality. If you own rental property in more than one RITA municipality, the test stated above must be applied to each municipality individually and a separate schedule attached for each municipality. *For a list of municipalities that have exceptions to the \$250.00 per month rental minimum, see the Special Notes on page 7 and at www.ritaohio.com for specific information.*

In addition, if you own rental property and are a resident of a RITA municipality, you will be subject to the tax on the net income of such rental (Line 24, Column 1) regardless of the location of that rental property owned.

LINE 25 – All Other Taxable Income: List all other Non-W-2 income such as farm income reported on federal Schedule F, lottery winnings, director fees, and ordinary gains and losses reported on federal Form 4797. Make sure to put the amount earned in each municipality in the proper columns. Attach schedules detailing all amounts reported on this line.

LINE 26 – Add Lines 23, 24, 25 for each column.

LINE 27 – If a net operating loss carryforward is applicable, place the amount on this line. Note: a net operating loss can only offset a gain in the same municipality. A combined

net operating loss in computing residence tax can only be taken on Line 29 of Schedule J. *For a list of municipalities that have exceptions to the five (5) years net operating loss carryforward rule, see the Special Notes on page 7 and at www.ritaohio.com for specific information.* No portion of a net operating loss shall be carried back against net profits of any prior year.
