Filing Requirements

If you live or reside in a RITA municipality during any part of the year, you must file a return with RITA unless you are eligible to file a Declaration of Exemption.

Non-residents must file Form 37 if they conducted business in a RITA municipality or earned wages in a RITA municipality from which no local tax was withheld. You conducted business in a RITA municipality if you earned self-employment, farm or rental income in a RITA municipality.

You may owe municipal income tax to both the municipality where you lived (your resident municipality) and to the municipality where you worked or conducted business (your work municipality).

An annual return is required whether you have tax due or not. If you had no taxable income, complete an exemption form, available at www.ritaohio.com.

When to File

File Form 37 by **April 15, 2013**. If you file after this date, you may be subject to penalties and interest.

Extensions of Time to File

A copy of your federal extension filed with RITA no later than April 15th will extend the municipal filing due date to November 30. **If you have an extension of time to file, the tax you owe is still due by April 15th.** You may make a payment with your extension request.

Extensions of time to file have no effect on the due dates of the 2013 estimated taxes. If you file an extension request, your first 2013 estimated tax payment is still due April 15, 2013. If you file for an extension and you expect to owe estimated taxes for 2013, file Form 32, Declaration of Estimated Income Tax, with your first quarter estimated payment by April 15th. You can download a copy of Form 32 at www.ritaohio.com.

Penalty and Interest

In accordance with municipality ordinance, penalty and interest will be charged for failure to file a return and to pay taxes, including estimated taxes for the current tax year. See the instructions for Line 20A for the minimum estimated tax requirements.

If your estimated payments are not equal to or greater than your prior year's total tax liability or 90% of your current year's total tax liability, you will be subject to penalty and interest assessments.

Refund or Credit

Indicate whether you want an overpayment of your 2012 tax to be credited towards your 2013 estimate or refunded to you by entering in the appropriate amount on Line 18 for a credit or Line 19 for a refund in Section B.

Tax Refunds

If you are requesting a refund for:

- Overpayment of **Estimated Tax Payments:** complete Form 37 or 37B.
- **Excess payroll withholding tax** (including tax withheld for a person under 18 years of age): complete Form 10A. Obtain forms at www.ritaohio.com.

For most taxpayers, qualifying wages cannot be less than Medicare wages. For taxpayers receiving income related to stock options, qualifying wages cannot be less than the *greater* of the federal taxable wages or the Medicare wages shown on the W-2.
- **Dividend and property distributions from Subchapter S corporations.** Distributive shares that do not represent wages are generally not taxable and should not be reported on Form 37. For exceptions, see the instructions for Schedule J, Line 24.
- **Self-employment, farm income** and a **partner's share of a partnership's income.**
- **Rents and lottery/gambling winnings** to the extent they are taxable as provided by ordinance. *See the Special Notes at www.ritaohio.com for detailed municipality information.*
- Employer provided **supplemental unemployment benefits** (sub pay).
- **Income from grazing, oil and gas rights.**

Warning: Income reported is subject to verification by the IRS. Non-reporting or underreporting of income will result in assessments of penalty and interest as provided by local ordinances.

If you are claiming a credit for taxes paid directly to another municipality, you must include a copy of that municipality's completed tax form as proof of payment of tax. Schedule J Instructions

What Constitutes Net Profits: Net Profits shall be determined on the basis of the information used for federal income tax purposes, adjusted to the requirements of the ordinance of a RITA municipality. Expenses attributable to nontaxable income are not deductible. Gains and losses from the sale or exchange of capital assets to the extent recognized as capital gains or losses for federal income tax purposes are generally not to be considered in arriving at net profits.

How to Treat a Net Loss: The portion of a net operating loss sustained in any taxable year, allocable to a RITA municipality, may be applied against the portion of the net profit of the succeeding year(s) allocable to the same RITA municipality until exhausted, but in no event for more than five (5) years.

For a list of municipalities that have exceptions to the five (5) years loss carried forward rule, see the Special Notes on page 7 and at www.ritaohio.com for specific information.

No portion of a net operating loss shall be carried back against net profits of any prior year. The portion of a net operating loss sustained shall be allocable to a RITA municipality in the same manner as provided herein for allocating net profits to the taxing municipality. No portion of a net operating loss shall be offset against W-2 income.

Line 23 – List all income from Federal Schedule C. If you operate your business in more than one municipality, you must allocate your income between each municipality in Columns 1 through 5. Attach additional copies of Schedule J if you need more columns. Also attach a copy of your Federal Schedule C.

Note: Schedule C net profit may not be reduced by the one-half self-employment tax adjustment as allowed by the Federal Form 1040.

Line 24 – List all rental and partnership income from Federal Schedule E. If your business is conducted in more than one municipality, you must allocate your income in Columns 1 through 5. Attach a copy of your Federal Schedule E.

S-Corporation distributive shares that do not represent wages are generally not taxable and should not be reported on Schedule J (Form 37).

Exceptions: Residents of Fairport Harbor, Painesville, Perry, Richmond Heights, Riverside, or Yellow Springs should report their entire distributive share as taxable on Schedule J (Form 37). Residents of the following municipalities should report only the Ohio S corporation distributive shares on Schedule J (Form 37): Avon, Avon Lake, Boston Heights, Brooklyn Heights, Campbell, Chagrin Falls, Chardon, Cleveland Heights, Cuyahoga Heights, East Palestine, Fremont, Gahanna, Highland Heights, Jackson Center, Johnstown, Lakemore, Macedonia, Maple Heights, Mentor, Oakwood, Powell, Seven Hills, Sheffield, Sheffield Lake, South Euclid, Streetsboro, Twinsburg, Valley View, Willoughby, Willoughby Hills or Woodmere. S-Corporations must file a municipal net profit income tax return to report taxable income (loss) and pay any municipal income tax due thereon.

Income from Rents: If you have rental property located in a RITA municipality and are receiving gross monthly rentals in excess of \$250.00 per month from any and all properties within that municipality, you are considered to be engaged in a business activity and the net income is subject to the tax whether or not you are a resident of a RITA municipality. If you own rental property in more than one RITA municipality, the test stated above must be applied to each municipality individually and a separate schedule attached for each municipality. *For a list of municipalities that have exceptions to the \$250.00 per month rental minimum, see the Special Notes on page 7 and at www.ritaohio.com for specific information.*

In addition, if you own rental property and are a resident of a RITA municipality, you will be subject to the tax on the net income of such rental regardless of the location of that rental property owned.

Line 25 All Other Taxable Income – List all other Non-W-2 income such as farm income reported on Federal Schedule F, 1099 miscellaneous income not reported on Federal Schedule C, lottery winnings, director fees, and ordinary gains and losses reported on Federal Form 4797. Make sure to put the amount earned in each municipality in the proper columns. Attach schedules detailing all amounts reported on this line. *See the Special Notes on page 7 for a list of municipalities that have special instructions or requirements for reporting lottery/gambling winnings.*

Line 26 – Add Lines 23, 24, 25 for each column.

Line 27 – If a net operating loss carryforward is applicable, place the amount on this line. Note: A net operating loss can only offset a gain in the same municipality. A combined net operating loss in computing residence tax can only be taken on Line 29 of Schedule J. *For a list of municipalities that have exceptions to the five (5) years net operating loss carryforward rule, see the Special Notes on page 7 and at www.ritaohio.com for specific information.* No portion of a net operating loss shall be carried back against net profits of any prior year.

Line 28 – Subtract Line 27 from Line 26 for Columns 1 and 2. Enter the results on Line 28. Place the total of Line 28 in Column 6. If the total in Column 6 is zero or less, enter zero (0).

Line 31 – Total Column 6 and enter result in Line 31 and on Line 1b of Section B, Form 37.

Schedule K Instructions

Line 33 – Complete Line 33 if you earned wages in a NON-RITA municipality and you filed and paid the tax due to that municipality. Proof of payment may be required. Multiply W-2 wages earned in a NON-RITA municipality by the tax rate for that municipality. For the tax rate of the NON-RITA municipality, contact your employer or the city hall of that municipality. Enter the total on Line 33.

Line 34 – Skip this line if you did not complete Schedule J. Otherwise, multiply Line 29, Columns 3, 4 and 5 of Schedule J by the tax rate of the municipality where the income was earned. Proof of payment may be required.

Line 35 – Add lines 32, 33 and 34. Enter the total on Line 35 and in Section B, Line 4b.
