ADJUSTED FEDERAL TAXABLE INCOME: A "C" corporation's federal taxable income before net operating losses and special deductions as determined under the Internal Revenue Code, but including subsequent adjustments from required additions and deductions. Pass-through entities must compute "Adjusted Federal Taxable Income" as if the pass-through entity was a "C" corporation. This definition does not apply to any taxpayer required to file a return under Ohio Revised Code (ORC) section 5745.03 or to the net profit from a sole proprietorship. This definition is effective for tax years beginning on or after January 1, 2004.

ADMINISTRATOR: The individual designated by the Ordinance, whether appointed or elected, to administer and enforce the provisions of the Ordinance.

ASSOCIATION: A partnership, limited partnership, Chapter S Corporation as defined in the federal tax code, 26 U.S.C. 1361, or any form of unincorporated enterprise, owned and/or operated by two or more persons as a business for profit.

DOMICILE: A domicile is that place where an individual has his true, fixed and permanent home, and principle establishment, and to which, whenever he is absent, he has the intention of returning. All individuals have a domicile. The presumption exists that anyone living in Avon Lake, lacking another domicile, is domiciled in Avon Lake. The presumption exists that anyone living in Avon Lake for twelve (12) contiguous months is domiciled in Avon Lake.

EMPLOYEE: One who is paid and receives wages, salary, or any other type of compensation from an employer or employers.

INTANGIBLE INCOME: As defined in ORC 718.01 (A) (5).

TAXPAYER: A person, whether an individual, partnership, association or any corporation or other entity, required hereunder to file a return and/or pay a tax.

SECTION 3. IMPOSITION OF TAX.

- A. Subject to the provisions of Section 16 of this Ordinance, an annual tax for the purposes specified in Section 1 hereof shall be imposed on and after 01/01/93 at the rate of one and one-half percent (1.50%) per annum upon the following:
1. On all taxable income earned during the effective period of the Ordinance by residents of this municipality, including distributive shares of the net profits of an unincorporated business entity or association against which Avon Lake municipal income tax is not already levied.
 2. On all taxable income earned during the effective period of this Ordinance by non-residents for work done or services performed or rendered in this municipality.
 3. On the portion attributable to this municipality of the net profits earned during the effective period of this Ordinance of all unincorporated businesses, associations, professions, corporations, or other entities, whether or not such entities have an office within this municipality, from sales made, work done, services performed or rendered, and business or other activities conducted in this municipality.
- B. In the taxation of income which is subject to this Income Tax Ordinance, if the books and records of a taxpayer conducting a business or profession or other activity both within and without the boundaries of this municipality disclose with reasonable accuracy what portion of its net profit is attributable to that part of the business, profession or other activity conducted within the boundaries of this municipality, then only such portion shall be considered as having a taxable situs in the municipality for purposes of taxation. In the absence of such records, net profit from a business, profession or other activity conducted both within and without the boundaries of this municipality shall be considered as having a taxable situs in this municipality for purposes of taxation in the same proportion as the average ratio of:
1. The average net book value of the real and tangible personal property owned or used by the taxpayer in the business, profession or other activity in this municipality during the taxable period to the average net book value of all of the real and tangible personal property owned or used by the taxpayer in the business, profession or other activity during the same period, wherever situated. Real property includes property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight for purposes of this computation;
 2. Wages, salaries, and other compensation paid during the taxable period to persons employed in the business, profession or other activity for services performed in the city to wages, salaries, and other compensation paid

during the same period to persons employed in the business, profession or other activity, wherever their services are performed; and

3. Gross receipts of the business, profession or other activity from sales made and services performed during the taxable period in this municipality, to gross receipts of the business, profession or other activity during the same period from sales and services wherever made or performed.

In the event that the foregoing allocation formula does not produce an equitable result, another basis may, under uniform regulations, be substituted so as to provide such result.

4. As used in B. above, “sales made in this municipality” means:
 - (a) All sales of tangible personal property which are delivered to purchasers within the city regardless of where title passes, if shipped or delivered from a stock of goods within the city;
 - (b) All sales of tangible personal property which are delivered to purchasers within the city regardless of where title passes, even though transported from a point outside the city, if the taxpayer is regularly engaged through its own city, if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the city and the sales result from such solicitation or promotion; and
 - (c) All sales of tangible personal property which are shipped from a place within the city to purchasers outside the city regardless of where title passes if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

C. Operating Loss Carry-Forward.

1. The portion of a net operating loss sustained in any taxable year subsequent to February 11, 1974 allocable to this municipality may be applied against the portion of the profit of succeeding year(s) allocable to this municipality, until exhausted but in no event for more than five (5) years. No portion of a net operating loss shall be carried back against net profits of any prior year.
2. The portion of a net operating loss sustained shall be allocated to this municipality in the same manner as provided herein for allocating net profits to this municipality.
3. The Administrator shall provide by rules and regulations the manner in which such net operating loss carry-forward shall be determined.

4. Net operating losses cannot be used to reduce W-2 earnings for purposes of taxation under this Ordinance.

D. Consolidated Returns.

Any affiliated group which files a consolidated return for federal income tax purposes pursuant to Section 1501 of the Internal Revenue Code may file a consolidated return with the City of Avon Lake. However, once the affiliated group has elected to file a consolidated return or a separate return with the City of Avon Lake, the affiliated group may not change their method of filing in any subsequent tax year without written approval from the municipality.

1. In the case of a corporation that carries on transactions with its stockholders or with other corporations related by stock ownership, interlocking directorates, or some other method, or in case any person operates a division, branch, factory, office, laboratory or activity within this municipality constituting a portion only of its total business, the Administrator shall require such additional information as may be deemed necessary to ascertain whether net profits are properly allocated to this municipality. If the Administrator finds net profits are not properly allocated to this municipality by reason of transactions with stockholders or with other corporations related by stock ownership, interlocking directorates, or transactions with such division, branch, factory, office, laboratory or activity or by some other method, such allocation shall be made as deemed appropriate to produce a fair and proper allocation of net profits to this municipality, by the Administrator.

E. Exceptions and Credits.

1. The tax provided for herein shall not be levied on:
 - (a) Military pay or allowances of active members of the armed forces of the United States.
 - (b) The income of religious, fraternal, charitable, scientific, literary, or educational institutions to the extent that such income is derived from tax exempt real estate, tax exempt tangible or intangible property or tax exempt activities;
 - (c) Poor relief, unemployment insurance benefits, old age pensions, or similar payments, including disability benefits received from local, state or federal governments or charitable, religious, or educational organizations;
 - (d) The income of a natural person under 16 years of age;

- (e) Interest and dividends from intangible property;
 - (f) Proceeds of life insurance paid by reason of death of the insured; pensions, disability benefits, annuities or gratuities not in the nature of compensation for services rendered from whatever source derived;
 - (g) Receipts from seasonal or casual entertainment, amusements, fundraising, sports events, and health and welfare activities when conducted by bona fide charitable, religious, or educational organizations and associations;
 - (h) Alimony or spousal support received;
 - (i) Moving expense reimbursements to the extent that they are allowable deductions for Federal Income Tax purposes. It should be noted that this merely exempts the reimbursements from city tax. Moving expenses that are not reimbursed are not deductible.
 - (j) Gains from involuntary conversion, cancellation of indebtedness, interest on federal obligations, items of income already taxed by the state from which the city is specifically prohibited from taxing, and income of a decedent's estate during the period of administration (except any income derived from the operation of a business carried on by the estate representative or fiduciary during such period of time);
 - (k) Salaries, income, wages, commissions, other compensation and net profits, the taxation of which is prohibited by the United States Constitution or any act of Congress limiting the power of the states or their political subdivisions to impose net income taxes on income derived from interstate commerce; and
 - (l) Salaries, income, wages, commissions, other compensation and net profits, the taxation of which is prohibited by the constitution of the State or any act of the Ohio General Assembly limiting the power of the city to impose net income taxes.
 - (m) Parsonage allowance, to the extent of the rental allowance or rental value of a house provided as a part of an ordained minister's compensation. The ordained minister must be duly ordained, commissioned, or licensed by a religious body constituting a church or church denomination, and must have authority to perform all sacraments of the church.
2. Any Individual may claim credit for tax paid to another municipality as set forth in Section 15.

F. Rental or Leased Property.

1. Rental income received by a taxpayer for property located within the boundaries of this municipality shall be included in the computation of net profits from business activities under the provisions of this Ordinance, only if and to the extent that the rental ownership, management or operations of the real estate from which rentals are derived (whether so rented, managed or operated by a taxpayer individually or through agents or other representatives) constitutes a business activity of the taxpayer in whole or part. It shall be prima-facie evidence that the rental, ownership, management or operation of such properties is a business activity of such taxpayer, and the net income of such rental property shall be subject to tax, if:
 - (a) the average gross monthly rental for the taxable year of any and all real properties, regardless of number and value, aggregates in excess of one hundred twenty-five dollars (\$125.00) per month; or
 - (b) in the case of commercial property, when the rental is based on a fixed or fluctuating percentage of gross or net sales, receipts or profits of the lessee, whether or not such rental exceeds one hundred twenty-five dollars (\$125.00) per month on the average for the taxable year; or
 - (c) in the case of farm property, when the owner shares in crops or when the rental is based on a percentage of gross or net receipts derived from the farm, whether or not the gross income exceeds one hundred twenty-five dollars (\$125.00) per month on the average for the taxable year; or
 - (d) in the case of a licensed rooming house, whether or not such rental exceeds one hundred twenty-five dollars (\$125.00) per month on average for the taxable year.
2. Every person, firm or corporation which owns, manages or operates an establishment in which parts of said establishment are rented or leased to three (3) or more persons shall submit to the Administrator a schedule of names and addresses of such persons, firms or corporations who rent or lease space for commercial, industrial or residential use within the City of Avon Lake during the preceding calendar year. Such schedule shall be filed on or before June 30th and on or before December 31st in each calendar year.

G. 12-Day Occasional Entrant Rule.

1. A non-resident individual who works in Avon Lake twelve (12) or fewer days per year shall be considered an occasional entrant, and shall not be

subject to the municipal income tax for those 12 days. For purposes of the 12-day calculation, any portion of a day worked in Avon Lake shall be counted as one day worked in Avon Lake.

2. Beginning with the thirteenth day, the employer of said individual shall begin withholding the Avon Lake income tax from remuneration paid by the employer to the individual, and shall remit the withheld income tax to the municipality in accordance with the requirements of this ordinance. Since the individual can no longer be considered to have been an occasional entrant, the employer is further required to remit taxes on income earned in Avon Lake by the individual for the first twelve days.
3. If the individual is self-employed, it shall be the responsibility of the individual to remit the appropriate income tax to Avon Lake.
4. The 12-day occasional entry rule does not apply to entertainers or professional athletes, their employees or individuals who perform services on their behalf, or to promoters and booking agents of such entertainment events and sporting events.

SECTION 4. EFFECTIVE PERIOD.

Said income tax shall be levied, collected and paid with respect to the taxable income and with respect to the net profits of businesses, professions or other activities, earned on and after October 1, 1968.

SECTION 5. RETURN AND PAYMENT OF TAX.

- A. Every natural person who is a resident of this municipality and who is 16 years of age or older, once gainfully employed, except as hereinafter provided, shall, even though no tax may be due, make and file a return on or before April 15th of the year following the initial year of gainful employment, and on or before April 15th of each year thereafter. When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed within four (4) months from the end of such fiscal year or period. The Administrator is hereby authorized to provide by regulation that the withholding return of an employer or employers, reporting the amount of tax deducted by said employer or employers from the salaries, wages or other compensation of an employee, and paid by him or them to the Administrator, shall be accepted, unless otherwise specified as the return required of any employee whose sole income, subject to tax under this Ordinance, is such salary, wages or other compensation.
- B. The return shall be filed with the Administrator on a form or forms furnished by or obtainable upon request from the Administrator or on other forms deemed acceptable by the Administrator, setting forth:

1. The aggregate amounts of salaries, wages and other compensation earned and gross income from business, profession or other activity, less allowable ordinary, reasonable, and necessary expenses, subject to audit and approval of the Administrator, incurred in the acquisition of such gross income, earned during the preceding year and subject to municipal income tax;
2. The amount of the income tax imposed by this Ordinance on such earnings and profits; and
3. Such other pertinent statements, information returns or other information as the Administrator may require.

C. Extensions.

The Administrator may extend the time for the filing of the annual return upon the request of the taxpayer, for a period not to exceed six (6) months, or, one (1) month beyond any extension requested of and/or granted by the Internal Revenue Service for the filing of the Federal Income Tax Return. All extensions for the filing of the annual return shall be requested by the taxpayer, in writing, accompanied by a copy of the federal extension, by April 15th, in order to be considered. The Administrator may deny the extension if the taxpayer's income tax account with Avon Lake is delinquent in any way.

- D. The taxpayer making a return shall, at the time of the filing thereof, pay to the Administrator the amount of taxes shown as due thereon; provided, that where any portion of the tax so due shall have been deducted at the source pursuant to the provisions of Section 6 of this Ordinance, or where any portion of said tax shall have been paid by the taxpayer pursuant to the provisions of Section 7 of this Ordinance, or where an income tax has been paid to another municipality, credit for the amount so paid in accordance with Section 15 hereof shall be deducted from the amount shown to be due and only the balance, if any, shall be due and payable at the time of filing said return.
- E. A taxpayer who has overpaid the amount of tax to which this municipality is entitled under the provisions of this Ordinance may have such overpayment applied against any subsequent liability hereunder or, at his election indicated on the return, such overpayment (or part thereof) shall be refunded, provided that no additional taxes or refunds of less than one dollar (\$1.00) shall be collected or refunded.

F. Amended Returns.

1. Whenever necessary, an amended return shall be filed in order to report additional income and pay any additional tax due, or, claim a refund of tax

overpaid, subject to the requirements and/or limitations contained in Sections 11 and 15. Any amended returns shall be on a form obtainable on request from the Administrator or on other forms deemed acceptable by the Administrator. A taxpayer shall not change the method of accounting or apportionment of net profits after the due date for filing the original return, in an amended return.

2. Within three (3) months from the final determination of any federal tax liability affecting the taxpayer's tax liability to this municipality, such taxpayer shall make and file an amended return showing income subject to the income tax of this municipality based upon such final determination of federal tax liability, and pay any additional tax shown due thereon or make claim for refund of any overpayment.

SECTION 6. COLLECTION AT SOURCE.

- A. Each employer within or doing business within this municipality shall withhold at the time of the payment of such salary, wage, or other compensation, the tax, at its then applicable percentage, of the gross salaries, wages or other compensation due by said employer to the employee and shall, on or before the last day of the month following the close of each calendar quarter, make a return and pay to the Administrator the amount of taxes so withheld for each employee, whether or not such taxes have in fact been withheld.
- B. An employer in collecting said tax shall be deemed to hold the same, until payment is made by such employer to this municipality, as a Trustee for the benefit of this municipality and any such tax collected by said employer from employee income, shall, until the same is paid to this municipality, be deemed to be held in a trust fund while in the possession of such employer.
- C. On or before January 31st of each year, beginning with the year 1969, each employer shall file a withholding return setting forth the names, addresses and social security numbers of all employees from whose compensation the income tax was withheld during the preceding calendar year and the amount of income tax withheld from his employees and such other information as may be required by the Administrator. All payments of taxable income not subject to withholding shall be reported on a form required by the Administrator.
- D. The Administrator, for good cause may require immediate returns and payments from employers to be submitted to his office.
- E. Each employer who withholds income tax in an amount of two hundred fifty dollars (\$250.00) or more in the first or second month of a calendar year, shall, on or before the last day of the following month, pay to the Administrator the amount of taxes so withheld.

- F. An employer who makes payments of withheld income tax on a monthly basis for either of the first two months of a calendar year shall continue to pay withheld income tax so deducted for the remaining months of the calendar year on a monthly basis.
- G. No person shall be required to withhold the tax on wages or other compensation paid domestic workers employed by such person exclusively in or about such person's residence, even though the residence is located in this municipality, but such employee shall be subject to all of the requirements of this Ordinance.
- H. Employers for limited engagements, who make payment for services at said engagement, as set forth below, shall, for the purpose of collection of the income tax, be required to withhold, report, and pay to the Administrator the municipal income tax at the current rate on the gross amount so paid on completion of the engagement, on forms approved by the Administrator. Employers for limited engagements include:
1. Any person who employs or contracts for the services of any entertainer, entertainment act, sports event, promotional booth, special event, band, orchestra, rock group, or theatrical performance; or

The contractor further agrees that all city income taxes due or payable under the City of Avon Lake Income Tax Ordinance shall be withheld by the contractor pursuant to Section 6 of said Ordinance and further agrees to require any of its subcontractors to withhold income taxes as set forth in the City of Avon Lake Income Tax Ordinance and pay such withheld income taxes to the Tax Administrator upon the filing of the mandatory withholding returns as provided in said Ordinance.
 2. In the event that the contractor and/or subcontractors fail to comply with the provisions set forth in the above subsection, then the City may withhold any and all payments under the public project agreement until such time as full compliance has been made, which may include an agreement to set off the amounts owed against any amount due under the public project agreement.
- J. Contractor Registration.

1. An individual, partnership, association, corporation or other entity engaged in the business of construction work in the city of Avon Lake shall obtain a tax account number, issued by the Income Tax Department, prior to beginning construction work. The Income Tax Department shall also issue a Certificate of Registration, which the contractor shall file with the Building Department and Engineering Department. Failure to possess a valid certificate shall be cause for suspension of work by the Building Department, the Engineering Department and/or the Income Tax Department prior to any construction work commencing and/or during the performance of the construction work. Proof of possession of a valid Certificate shall be necessary to commence or resume suspended construction work. The Certificate of Registration may be revoked by the Income Tax Department for failure by the contractor to remain current in the filing of required income tax documents, for failure to remain current in the required payment of income taxes, and for failure to comply with any provision of Section 6 of this Ordinance.
2. Any contractor as described in the preceding subsection shall be jointly liable for the payment of all income taxes to be withheld and payable to the City of Avon Lake by any subcontractor who performs any work under contract with the said contractor within the municipal corporate limits. Any such contractor shall provide the Tax Administrator with a listing of all subcontractors including names, addresses and amounts paid thereto.

SECTION 7. DECLARATIONS.

- A. Every person who anticipates any taxable income which is not subject to collection at the source as provided in Section 6 hereof, or who engages in any business, profession, enterprise or activity subject to the income tax imposed by Section 3 hereof, shall file a declaration setting forth such estimated income or the estimated profit or loss from such business activity together with the estimated tax due thereon, if any; provided, however, if a person's taxable income is wholly from wages from which the tax will be withheld and remitted to this municipality in accordance with Section 6 hereof, such person need not file a declaration.
- B. Filing of Declaration.
 1. Such declaration shall be filed on or before April 30th of each year, or within four (4) months of the date the taxpayer becomes subject to municipal income tax for the first time.
 2. Those taxpayers reporting on a fiscal year basis shall file a declaration within four (4) months from the beginning date of each fiscal year or period.

C. Form of Declaration.

1. Such declaration shall be filed upon a form furnished by, or obtainable from the Administrator, provided, however, credit may be taken for any Avon Lake income tax to be withheld from any portion of such income. In accordance with the provisions of Section 15 hereof, credit may be taken for income tax to be paid to or to be withheld and remitted to another taxing municipality.
2. The original declaration (or any subsequent amendment thereof) may be increased or decreased on or before any subsequent quarterly payment date as provided for herein.

D. Such declaration of estimated income tax to be paid to this municipality shall be accompanied by a payment of at least one-fourth (1/4) of the estimated annual tax and at least a similar amount shall be paid on or before the 15th day of the sixth, ninth and twelfth month after the beginning of the taxable year. Provided, however, that in case an amended declaration is filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates. Should the amount of declaration of estimated tax be \$40.00 or more, payments shall be made in quarterly installments or may be paid in full with the original declaration at the option of the taxpayer.
