In the absence of such records, net profit from a business or profession conducted both within and without the boundaries of the Municipality shall be considered as having a taxable situs in the Municipality for purposes of the tax in the same proportion as the average ratio of:

- (1) The average net book value of the real and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average net book value of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

181.04 EFFECTIVE DATE.

(a) Said tax shall be levied, collected and paid with respect to the salaries, wages, commissions and other compensation earned on and after July 1, 1975, and with respect to the net profits of business, professions or other activities earned on and after July 1, 1975.

(b) Provided, however, that where the fiscal years of the business, profession, or other activity differ from the calendar year the tax shall be applied to that part of the net profits for the fiscal year as shall be earned on and after July 1, 1975, to close of the taxpayers' fiscal year. Thereafter, the taxpayer shall report on its fiscal year basis.

The credit shall not exceed the tax assessed by this chapter on such net profits, salaries, wages, commissions or other compensation earned in such other municipality or municipalities where such tax is paid. However, if a taxpayer is engaged in two or more taxable business activities to be included in the same return, the net loss of one unincorporated business activity (except any portion of a loss separately reportable for municipal tax purposes to another taxing entity) may be used to offset the profits of another for purposes of arriving at overall net profits. A husband and wife, in any taxable year, may elect to file separate or joint returns. (Ord. 44-82. Passed 9-20-82.)

(c) If a net operating loss has been sustained in any taxable year such losses may not be carried forward or backward to any other taxable year. (Ord. 7-75. Passed 5-19-75.)

(d) The taxpayer making a return shall, at the time of the filing thereof, pay to the Clerk the amount of taxes shown as due thereon; provided, however, that where any portion of the tax so due shall have been deducted at the source pursuant to the provisions of Section 181.08 or where any portion of said tax has been paid by the taxpayer pursuant to the provisions of Section 181.09, or where an income tax has been paid to another municipality, credit for the amount so paid in accordance with Section 181.09 hereof, shall be deducted from the amount shown to be due and only the balance, if any, shall be due and payable at the time of filing said return. (Amended by voters)

(e) A taxpayer who has overpaid his income tax in any taxable year may request a refund provided, however, there is no other tax liability and provided, further, that no amount of less than one dollar (\$1.00) will be refunded or collected.

(f) An administrator shall have the authority to extend the time for filing of the annual return upon the request of the taxpayer for a period not to exceed six months, or one month beyond any extension requested of or granted by the Internal Revenue Service for the filing of the Federal Income Tax Return. An administrator may require a tentative return, accompanied by payment of the amount of tax shown to be due thereon by the date the return is normally due. No penalty shall be assessed, in those cases in which the return is filed and the final tax paid within the period as extended. (Ord. 7-75. Passed 5-19-75.)

181.07 AMENDED RETURN; REFUNDS.

A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.

(b) Within three months from the final determination of any Federal tax liability affecting the taxpayer's municipal tax liability, such taxpayer shall make and file an amended municipal return showing income subject to the municipal tax based upon such final determination of Federal tax liability, and pay any additional tax shown due thereon or make a claim for refund of any overpayment.

(c) No refund shall be allowed unless a written request be presented to an administrator within three years of the date the taxes were due.

181.08 COLLECTION AT SOURCE.

(a) Each employer within or doing business within the Municipality, shall deduct at the time of payment of such salaries, wages, commissions or other compensation, the tax of two percent (2%) of the gross salaries, wages, commissions or other compensation due by the employer to said employee and shall, on or before the last day of the month following the close of each calendar quarter, make a return showing the amount of taxes so deducted and a record of payments showing that all taxes so deducted during the quarter have been paid to the municipality in accordance with the payment schedule prescribed by subsections (b)(1), (2) and (3) hereof. Such employer shall be liable for the payment of the tax required to be deducted and withheld, whether or not such taxes have in fact been withheld.

(b) Employers shall pay to the municipality all income taxes withheld or required to be deducted and withheld on either a semi-monthly, monthly or quarterly basis depending on the amount of taxes involved according to the following payment schedule:

- (1) Semi-monthly payments of the taxes deducted are to be made by an employer if the total taxes deducted in the prior calendar year were twelve thousand dollars (\$12,000) or more, or the amount of taxes deducted for any month in the preceding quarter exceeded one thousand dollars (\$1,000). Such payment shall be paid to the municipality within five banking days after the fifteenth and the last day of each month.

However, those taxes accumulated for the third month of a calendar quarter by employers making monthly payments pursuant to this paragraph need not be paid until the last day of the month following such quarter.
- (3) All employers not required to make semi-monthly or monthly payments of taxes withheld under subsections (b)(1) and (2) hereof shall make quarterly payments no later than the last day of the month following the end of each quarter.

(c) Each employer who maintains a place of business in the municipality and another branch within the metropolitan area of Columbus, must also withhold the tax from employees residing in the municipality but working at the employer's metropolitan area branch even though the payroll records and place of payment are outside the municipality.

(d) The employer shall make and file a return on a form furnished by the Clerk, showing the amount of tax deducted by said employer from the salaries, wages, commissions or other compensation of any employee and paid by the employer to the Clerk. Such employer's return shall be accepted as the return required of an employee whose sole income subject to the tax under Section 181.01 is the salaries, wages, commissions and other compensation returned by said employer.

(e) Each employer, on or before the 31st day of January, unless written request for thirty days extension is made to and granted by an administrator, following any calendar year in which such deductions have been made, or should have been made by an employer, shall file with the Clerk an information return (Canal Winchester Withholding Statement of Wages Paid, and Canal Winchester Income Tax Withheld), for each employee from whom income tax has been or should have been withheld showing the name and address of the employee, the total amount of salaries, wages, commissions and other compensation paid said employee during the year and the amount of municipal income tax withheld from each employee.
