Section 2. That Section 881.03 Imposition of Tax (Businesses), of Chapter 881 of Title Four of Part Eight-Business Regulation and Taxation Code of the Codified Ordinances of the City of Strongsville, be and is hereby amended, in part, in order that Section 881.03 shall read in part, as follows:

881.03 IMPOSITION OF TAX.

* * *

Businesses.

6. This division applies to any taxpayer engaged in a business or profession in the City of Strongsville, unless the taxpayer is an individual who resides in Strongsville or the taxpayer is

an electric company, combined company, or telephone company that is subject to and required to file reports under Chapter 5745. of the ORC.

(a) Except as otherwise provided in divisions 6(b) and 7 of this section, net profit from a business or profession conducted both within and without the boundaries of the City of Strongsville shall be considered as having a taxable situs in Strongsville for purposes of municipal income taxation in the same proportion as the average ratio of the following:

(1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in Strongsville during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in Strongsville to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under Section 881.04 division 3;

(3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in Strongsville to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.

(b) (1) If the apportionment factors described in division 6(a) of this section do not fairly represent the extent of a taxpayer's business activity in Strongsville, the taxpayer may request, or the Tax Administrator of the City of Strongsville may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

(i) Separate accounting;
(ii) The exclusion of one or more of the factors;
(iii) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation;
(iv) A modification of one or more of the factors.

(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the Tax Administrator denies the request in an assessment issued within the period prescribed by Section 881.12/1.

(3) The Tax Administrator may require a taxpayer to use an alternative apportionment method as described in division 6(b)(1) of this section, but only by issuing an assessment to the taxpayer within the period prescribed by Section 881.12/1.

(4) Nothing in division 6(b) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by the Tax Administrator or otherwise agreed upon by both the Tax Administrator and taxpayer before January 1, 2016.

(c) As used in division 6(a)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

(i) The employer;

(ii) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;

(iii) A vendor, customer, client, or patient of a person described in 6(c)(1)ii) of this section, or a related member of such a vendor, customer, client, or patient.

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

(3) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division 6(c)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the Tax Administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Administrator's determination was unreasonable.

(d) For the purposes of division 6(a)(3) of this section, **and except as provided in division 7 of this section**, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:

(1) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation only if, regardless of where title passes, the property meets either of the following criteria:

(i) The property is shipped to or delivered within Strongsville from a stock of goods located within the City of Strongsville.

(ii) The property is delivered within Strongsville from a location outside Strongsville, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City of Strongsville and the sales result from such solicitation or promotion.

(2) Gross receipts from the sale of services shall be situated to Strongsville to the extent that such services are performed in such City.

(3) To the extent included in income, gross receipts from the sale of real property located in the City of Strongsville shall be situated to Strongsville.

(4) To the extent included in income, gross receipts from rents and royalties from real property located in Strongsville shall be situated to the City of Strongsville.

(5) Gross receipts from rents and royalties from tangible personal property shall be situated to the City of Strongsville based upon the extent to which the tangible personal property is used in Strongsville.

(e) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual, or by a disregarded entity owned by the individual, shall be subject to Strongsville's tax only if the property generating the net profit is located in the City of Strongsville or if the individual taxpayer that receives the net profit is a resident of Strongsville. Strongsville shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.

(f) (1) Commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to Strongsville, if applicable, based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in Strongsville to the

commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.

(2) An individual who is a resident of Strongsville shall report the individual's net profit from all real estate activity on the individual's annual tax return for Strongsville. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such a credit is allowed under Strongsville's income tax ordinance.

(g) When calculating the ratios described in division 6(a) of this section for the purposes of that division or division 6(b) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.

- (h) Left intentionally blank.
- (i) Intentionally left blank.

Remote Employment.

7. (a) As used in this division:

(1) "Qualifying remote employee or owner" means an individual who is an employee of a taxpayer or who is a partner or member holding an ownership interest in a taxpayer that is treated as a partnership for federal income tax purposes, provided that the individual meets both of the following criteria:

(i) The taxpayer has assigned the individual to a qualifying reporting location.

(ii) The individual is permitted or required to perform services for the taxpayer at a qualifying remote work location.

(2) "Qualifying remote work location" means a permanent or temporary location at which an employee or owner chooses or is required to perform services for the taxpayer, other than a reporting location of the taxpayer or any other location owned or controlled by a customer or client of the taxpayer. "Qualifying remote work location" may include the residence of an employee or owner and may be located outside of a municipal corporation that imposes an income tax in accordance with this chapter. An employee or owner may have more than one qualifying remote work location during a taxable year.

(3) "Reporting location" means either of the following:

(i) A permanent or temporary place of doing business, such as an office, warehouse, storefront, construction site, or similar location, that is owned or controlled directly or indirectly by the taxpayer;

(ii) Any location in this state owned or controlled by a customer or client of the taxpayer, provided that the taxpayer is required to withhold taxes under Section 881.04 of this Chapter, on qualifying wages paid to an employee for the performance of personal services at that location.

(4) "Qualifying reporting location" means one of the following:

(i) The reporting location in this state at which an employee or owner performs services for the taxpayer on a regular or periodic basis during the taxable year;

(ii) If no reporting location exists in this state for an employee or owner under division (G)(1)(d)(i) of this section, the reporting location in this state at which the employee's or owner's supervisor regularly or periodically reports during the taxable year;

(iii) If no reporting location exists in this state for an employee or owner under division (G)(1)(d)(i) or (ii) of this section, the location that the taxpayer otherwise assigns as the employee's or owner's qualifying reporting location, provided the assignment is made in good faith and is recorded and maintained in the taxpayer's business records. A taxpayer may change the qualifying reporting location designated for an employee or owner under this division at any time.

(b) For tax years ending on or after December 31, 2023, a taxpayer may elect to apply the provisions of this division to the apportionment of its net profit from a business or profession. For taxpayers that make this election, the provisions of division (6) of this section apply to such apportionment except as otherwise provided in this division.

A taxpayer shall make the election allowed under this division in writing on or with the taxpayer's net profit return or, if applicable, a timely filed amended net profit return or a timely filed appeal of an assessment. The election applies to the taxable year for which that return or appeal is filed and for all subsequent taxable years, until the taxpayer revokes the election.

The taxpayer shall make the initial election with the tax administrator of each municipal corporation with which, after applying the apportionment provisions authorized in this division, the taxpayer is required to file a net profit tax return for that taxable year. A taxpayer shall not be required to notify the tax administrator of a municipal corporation in which a qualifying remote employee's or owner's qualifying remote work location is located, unless the taxpayer is otherwise required to file a net profit return with that municipal corporation due to business operations that are unrelated to the employee's or owner's activity at the qualifying remote work location.

After the taxpayer makes the initial election, the election applies to every municipal corporation in which the taxpayer conducts business. The taxpayer shall not be required to file a net profit return with a municipal corporation solely because a qualifying remote employee's or owner's qualifying remote work location is located in such municipal corporation.

Nothing in this division prohibits a taxpayer from making a new election under this division after properly revoking a prior election.

(c) For the purpose of calculating the ratios described in division 6(a) of this section, all of the following apply to a taxpayer that has made the election described in division 7(b):

(1) For the purpose of division 6(a)(1) of this section, the average original cost of any tangible personal property used by a qualifying remote employee or owner at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location.

(2) For the purpose of division 6(a)(2) of this section, any wages, salaries, and other compensation paid during the taxable period to a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location.

(3) For the purpose of division 6(a)(3) of this section, and notwithstanding division 6(d) of this section, any gross receipts of the business or profession from services performed during the taxable period by a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situated to that individual's qualifying reporting location.

(d) Nothing in this division prevents a taxpayer from requesting, or a tax administrator from requiring, that the taxpayer use, with respect to all or a portion of the income of the taxpayer, an alternative apportionment method as described in division 6(b) of this section. However, a tax administrator shall not require an alternative apportionment method in such a manner that it would require a taxpayer to file a net profit return with a municipal corporation solely because a qualifying remote employee's or owner's qualifying remote work location is located in that municipal corporation.

(e) Except as otherwise provided in this division, nothing in this division is intended to affect the withholding of taxes on qualifying wages pursuant to Section 881.04 of this Chapter.

Section 3. That Sections 881.05(1) through (8), Annual Return; Filing, of Chapter 881 of Title Four of Part Eight-Business Regulation and Taxation Code of the Codified Ordinances of the City of Strongsville be and are hereby amended in order that only those Sections 881.05(1) through (8) shall read in their entirety as follows:

881.05 ANNUAL RETURN; FILING.

1. An annual City of Strongsville income tax return shall be completed and filed by every ~~individual~~ taxpayer ~~eighteen (18) years of age or older and any taxpayer that is not an individual~~ for each taxable year for which the taxpayer is subject to the tax, whether or not a tax is due thereon.

(a) The Tax Administrator may accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer under Section 881.04 of this chapter when the nonresident individual taxpayer's sole income subject to the tax

is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due to Strongsville.

(b) Retirees having no Municipal Taxable Income for Strongsville income tax purposes may file with the Tax Administrator a written exemption from these filing requirements on a form prescribed by the Tax Administrator. The written exemption shall indicate the date of retirement and the entity from which retired. The exemption shall be in effect until such time as the retiree receives Municipal Taxable Income taxable to the City of Strongsville, at which time the retiree shall be required to comply with all applicable provisions of this chapter.

2. If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

3. If an individual is unable to complete and file a return or notice required by Strongsville, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

4. Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust.

5. Strongsville shall permit spouses to file a joint return.

6. (a) Each return required to be filed under this division shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer. The return shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.

(b) The Tax Administrator shall require a taxpayer who is an individual to include, with each annual return, and amended return, copies of the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040, or in the case of a return or request required by a qualified municipal corporation, Ohio Form IT-1040; and, with respect to an amended tax return, any other documentation necessary to support the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the Tax Administrator unless the Tax Administrator requests such copies after the return has been filed.

(c) The Tax Administrator may require a taxpayer that is not an individual to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio Business Gateway or in some other manner shall either mail the documents required under this division to the Tax Administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio Business Gateway.

(d) After a taxpayer files a tax return, the Tax Administrator may request, and the taxpayer shall provide, any information, statements, or documents required by the City to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division 6 of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Administrator.

7. (a) (1) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the Tax Administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of Section 5747.08 of the ORC. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the City of Strongsville. No remittance is required if the net amount due is ten dollars (\$10.00) or less.

(2) Except as otherwise provided in this chapter, each annual net profit return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the Tax Administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the City of Strongsville. No remittance is required if the net amount due is ten dollars (\$10.00) or less.

(b) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of Strongsville's income tax return. The extended due date of Strongsville's income tax return shall be the 15th day of the tenth month after the last day of the taxable year to which the return relates. **For tax years ending on or after January 1, 2023, the extended due date of Strongsville's income tax return for a taxpayer that is not an individual shall be the 15th day of the eleventh month after the last day of the taxable year to which the return relates.** An extension of time to file under this division is not an extension of the time to pay any tax due unless the Tax Administrator grants an extension of that date.

(1) A copy of the federal extension request shall be included with the filing of Strongsville's income tax return.

(2) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may submit a written request that the Tax Administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's Strongsville income tax return. If the request is received by the Tax Administrator on or before the date the Strongsville income tax return is due, the Tax Administrator shall grant the taxpayer's requested extension.

(c) If the tax commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of Section 5747.08 of the ORC, a taxpayer shall automatically receive an extension for the filing of Strongsville's income tax return. The extended due date of Strongsville's income tax return shall be the same as the extended due date of the state income tax return.

(d) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by Strongsville, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this division, including taxpayers not otherwise required to file annual returns.

(e) If a taxpayer receives an extension for the filing of a municipal income tax return under Section 7(b), (c) or (d) of this section, the tax administrator shall not make any inquiry or send any notice to the taxpayer with regard to the return on or before the date the taxpayer files the return or on or before the extended due date to file the return, whichever occurs first.

If a tax administrator violates division (e) of this section, the municipal corporation shall reimburse the taxpayer for any reasonable costs incurred to respond to such inquiry or notice, up to \$150.

Division (e) of this section does not apply to an extension received under division (b) of this section if the tax administrator has actual knowledge that the

taxpayer failed to file for a federal extension as required to receive the extension under division (b) of this section or failed to file for an extension under division (b)(2) of this section.

(ef) To the extent that any provision in this division 7 of this section conflicts with any provision in divisions 14, 15, 16 or 17 of this section, the provisions in divisions 14, 15, 16 or 17 prevail.

CITY OF STRONGSVILLE, OHIO

ORDINANCE NO. 2015 – 208

By: Mayor Perciak and All Members of Council

AN ORDINANCE ENACTING NEW CHAPTER 881 OF TITLE FOUR OF PART EIGHT OF THE CITY'S CODIFIED ORDINANCES PROVIDING FOR IMPOSITION AND REGULATION OF THE MUNICIPAL INCOME TAX APPLICABLE TO TAX YEARS COMMENCING JANUARY 1, 2016; AND RESTATING THE CURRENT CHAPTER 880 TO REMAIN EFFECTIVE AND APPLICABLE FOR MUNICIPAL INCOME TAX YEARS PRIOR TO JANUARY 1, 2016.

WHEREAS, the Home Rule Amendment of the Ohio Constitution, Article XVIII, Section 3, provides that "Municipalities shall have authority to exercise all powers of local self-government . . .", and the municipal taxing power is one of such powers of local self-government delegated by the people of the State to the citizens of municipalities; and

WHEREAS, Article XIII, Section 6 of the Ohio Constitution provides that the General Assembly may restrict municipalities' power of taxation to the extent necessary to prevent abuse of such power; and Article XVIII, Section 13 of the Ohio Constitution states that "Laws may be passed to limit the powers of municipalities to levy taxes and incur debts for local purposes . . ."; and

WHEREAS, the General Assembly recently determined that it was necessary and appropriate to comprehensively review and amend Chapter 718 of the Ohio Revised Code, setting forth new statutory requirements for municipal income tax codes in Ohio; and

WHEREAS, more specifically, the General Assembly has enacted and the Governor has signed House Bill 5 (HB 5) in December, 2014, which mandates that municipal income tax codes be amended by January 1, 2016, such that any income or withholding tax is "levied in accordance with the provisions and limitations specified in [Chapter 718]"; and

WHEREAS, upon a detailed review of HB 5 and the Codified Ordinances of the City of Strongsville, this Ordinance is found and determined by this Council to properly enact the new provisions and/or amendments in the City's Codified Ordinances required prior to the January 1, 2016 deadline to be in accord with the new provisions and limitations specified in Chapter 718 of the Ohio Revised Code; and also to provide for restatement of the City's current Codified Chapter concerning municipal income tax which will stay in effect for tax years arising prior to January 1, 2016; and

is a true and correct copy of the original.

Debra Pientka

Clerk of Council

WHEREAS Council also finds and determines that the constitutionality of certain provisions of the State-mandated code may have been put in question by recent decisions of the Ohio Supreme Court regarding, among other things, taxation of professional athletes; but such provisions must be included if the municipal income tax code is to be "levied in accordance with the provisions and limitations specified in [Chapter 718]" and thus they reluctantly are adopted by this Council but are disclaimed to the extent they may be declared unlawful or unconstitutional.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF STRONGSVILLE, COUNTY OF CUYAHOGA AND STATE OF OHIO:

Section 1. That new Chapter 881 (Municipal Income Tax) of Title Four of Part Eight of the City's Codified Ordinances, attached hereto as Exhibit A and incorporated herein by reference in its entirety, is hereby enacted effective January 1, 2016 for tax years commencing January 1, 2016 and going forward thereafter.

Section 2. That the current codified version of Chapter 880 (Municipal Income Tax), in Title Four of Part Eight, copy of which is attached hereto as Exhibit B and incorporated herein by reference in its entirety, is hereby restated and shall remain and continue in effect and applicable for all purposes only to those tax years arising prior to January 1, 2016.

Section 3. That the Clerk of Council shall ensure that the City's Codified Ordinances from and after January 1, 2016 properly reflect both new Chapter 881 and the current Chapter 880 regarding the Municipal Income Tax as reflected in Exhibits A and B hereto, with designations of their respective applicability as referenced by the tax years to which each applies.

Section 4. That any ordinances or resolutions, or parts thereof, in conflict with new Chapter 881, except for current Chapter 880 where it remains applicable, are hereby superseded and repealed.

Section 5. That it is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council; and that all deliberations of this Council, and any of its committees, that resulted in such formal action were in meetings open to the public in compliance with all legal requirements.

Section 6. That the provisions of this Ordinance shall take effect and be in force from and after January 1, 2016, presuming it is approved in accordance with law.

881.02 DEFINITIONS.

1. Any term, phrase or word used in this chapter that is not otherwise defined in this chapter has the same meaning as when used in a comparable context in laws of the United States relating to federal income taxation or in Title LVII of the ORC, unless a different meaning is clearly required. If a term used in this chapter that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the ORC and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall control over the use of the term in Title LVII of the ORC. The singular shall include the plural, and the masculine shall include the feminine and be gender-neutral.

2. As used in this chapter:

(a) **"Adjusted federal taxable income,"** for a person required to file as a C corporation, or for a person that has elected to be taxed as a C corporation under 2(x)(4) of this section, means a C corporation's federal taxable income before net operating losses and special deductions as determined under the Internal Revenue Code, adjusted as follows:

(1) Deduct intangible income to the extent included in federal taxable income. The deduction shall be allowed regardless of whether the intangible income relates to assets used in a trade or business or assets held for the production of income.

(2) Add an amount equal to five percent (5%) of intangible income deducted under division 2(a)(1) of this section, but excluding that portion of intangible income directly related to the sale, exchange, or other disposition of property described in Section 1221 of the Internal Revenue Code;

(3) Add any losses allowed as a deduction in the computation of federal taxable income if the losses directly relate to the sale, exchange, or other disposition of an asset described in Section 1221 or 1231 of the Internal Revenue Code;

(ii) Division 2(a)(4)(i) of this section does not apply to the extent the income or gain is income or gain described in Section 1245 or 1250 of the Internal Revenue Code.

(5) Add taxes on or measured by net income allowed as a deduction in the computation of federal taxable income;

(6) In the case of a real estate investment trust or regulated investment company, add all amounts with respect to dividends to, distributions to, or amounts set aside for or credited to the benefit of investors and allowed as a deduction in the computation of federal taxable income;

The amount of such net operating loss shall be deducted from net profit that is reduced by exempt income to the extent necessary to reduce municipal taxable income to zero, with any remaining unused portion of the net operating loss carried forward to not more than five consecutive taxable years following the taxable year in which the loss was incurred, but in no case for more years than necessary for the deduction to be fully utilized.

(ii) No person shall use the deduction allowed by division 2(a)(8) of this section to offset qualifying wages.

(iii) For taxable years beginning in 2018, 2019, 2020, 2021, or 2022, a person may not deduct more than fifty percent (50%) of the amount of the deduction otherwise allowed by division 2(a)(8)(i) of this section.

For taxable years beginning in 2023 or thereafter, a person may deduct the full amount allowed by 2(a)(8)(i) of this section.

To the extent that an amount of net operating loss that was not fully utilized in one or more taxable years by operation of division 2(a)(8)(iii) of this section is carried forward for use with respect to a return filed for a taxable year beginning in 2019, 2020, 2021, or 2022, the fifty percent (50%) limitation described in division 2(a)(8)(iii) of this section shall apply to the amount carried forward.

(10) Add any loss incurred by a pass-through entity owned directly or indirectly by the taxpayer and included in the taxpayer's federal taxable income unless an affiliated group of corporations includes that loss in the group's federal taxable income in accordance with division 22(c)(2) of Section 5.

(b) (1) "Assessment" means a written finding by the Tax Administrator that a person has underpaid municipal income tax, or owes penalty and interest, or any combination of tax, penalty, or interest, to the City that commences the person's time limitation for making an appeal to the Board of Tax Review pursuant to Section 881.21, and has "ASSESSMENT" written in all capital letters at the top of such finding.

(b) (1) If the apportionment factors described in division 6(a) of this section do not fairly represent the extent of a taxpayer's business activity in Strongsville, the taxpayer may request, or the Tax Administrator of the City of Strongsville may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

(i) Separate accounting;

(ii) The exclusion of one or more of the factors;

(iii) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation;

(iv) A modification of one or more of the factors.

(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return.

The taxpayer may use the requested alternative method unless the Tax Administrator denies the request in an assessment issued within the period prescribed by Section 881.12/1.

(3) The Tax Administrator may require a taxpayer to use an alternative apportionment method as described in division 6(b)(1) of this section, but only by issuing an assessment to the taxpayer within the period prescribed by Section 881.12/1.

(4) Nothing in division 6(b) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by the Tax Administrator or otherwise agreed upon by both the Tax Administrator and taxpayer before January 1, 2016.

(c) As used in division 6(a)(2) of this section, "wages, salaries, and other compensation" includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

(i) The employer;

(ii) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;

(iii) A vendor, customer, client, or patient of a person described in 6(c)(1)ii) of this section, or a related member of such a vendor, customer, client, or patient.

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee's presence at the location directly or indirectly benefits the employer;

(3) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division 6(c)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the Tax Administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Administrator's determination was unreasonable.

(d) For the purposes of division 6(a)(3) of this section, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:

(1) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. For the purposes of this division, a sale of property originates in City of Strongsville if, regardless of where title passes, the property meets any of the following criteria:

(i) The property is shipped to or delivered within Strongsville from a stock of goods located within the City of Strongsville.

(ii) The property is delivered within Strongsville from a location outside Strongsville, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City of Strongsville and the sales result from such solicitation or promotion.

(iii) The property is shipped from a place within Strongsville to purchasers outside Strongsville, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(2) Gross receipts from the sale of services shall be situated to Strongsville to the extent that such services are performed in such City.

(3) To the extent included in income, gross receipts from the sale of real property located in the City of Strongsville shall be situated to Strongsville.

(4) To the extent included in income, gross receipts from rents and royalties from real property located in Strongsville shall be situated to the City of Strongsville.

(5) Gross receipts from rents and royalties from tangible personal property shall be situated to the City of Strongsville based upon the extent to which the tangible personal property is used in Strongsville.

(e) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual, or by a disregarded entity owned by the individual, shall be subject to Strongsville's tax only if the property generating the net profit is located in the City of Strongsville or if the individual taxpayer that receives the net profit is a resident of Strongsville. Strongsville shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.

(f) (1) Commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to Strongsville, if applicable, based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in Strongsville to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.

(2) An individual who is a resident of Strongsville shall report the individual's net profit from all real estate activity on the individual's annual tax return for Strongsville. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such a credit is allowed under Strongsville's income tax ordinance.

(g) When calculating the ratios described in division 6(a) of this section for the purposes of that division or division 6(b) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity.

881.04 COLLECTION AT SOURCE.

Withholding provisions.

1. Each employer, agent of an employer, or other payer located or doing business in the City of Strongsville shall withhold an income tax from the qualifying wages earned and/or received by each employee in the City of Strongsville. Except for qualifying wages for which withholding is not required under Section 881.03 or division 2(d) or (f) of this section, the tax shall be withheld at the rate, specified in Section 881.01 division 2(a) of this chapter, of two percent (2%). An employer, agent of an employer, or other payer shall deduct and withhold the tax from qualifying wages on the date that the employer, agent, or other payer directly, indirectly, or constructively pays the qualifying wages to, or credits the qualifying wages to the benefit of, the employee.

2. (a) Except as provided in division (2)(b) of this section, an employer, agent of an employer, or other payer shall remit to the Tax Administrator of Strongsville the greater of the income taxes deducted and withheld or the income taxes required to be deducted and withheld by the employer, agent, or other payer according to the following schedule:

(1) Taxes required to be deducted and withheld shall be remitted monthly to the Tax Administrator if the total taxes deducted and withheld or required to be deducted and withheld by the employer, agent, or other payer on behalf of the City of Strongsville in the preceding calendar year exceeded \$2,399, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the City of Strongsville in any month of the preceding calendar quarter exceeded \$200.

Payment under division 2(a)(1) of this section shall be made so that the payment is received by the Tax Administrator not later than 15 days after the last day of each month for which the tax was withheld.

(2) Any employer, agent of an employer, or other payer not required to make payments under division 2(a)(1) of this section of taxes required to be deducted and withheld shall make quarterly payments to the Tax Administrator not later than the 15th day of the month following the end of each calendar quarter.

(3) Intentionally left blank.

(b) If the employer, agent of an employer, or other payer is required to make payments electronically for the purpose of paying federal taxes withheld on payments to employees under Section 6302 of the Internal Revenue Code, 26 C.F.R. 31.6302-1, or any other federal statute or regulation, the payment shall be made by electronic funds transfer to the Tax Administrator of all taxes deducted and withheld on behalf of Strongsville. The payment of tax by electronic funds transfer under this division does not affect an employer's, agent's, or other payer's obligation to file any return as required under this section.

(c) An employer, agent of an employer, or other payer shall make and file a return showing the amount of tax withheld by the employer, agent, or other payer from the qualifying wages of each employee and remitted to the Tax Administrator. A return filed by an employer, agent, or other payer under this division shall be accepted by Tax Administrator and Strongsville as the return required of a non-resident employee whose sole income subject to the tax under this chapter is the qualifying wages reported by the employee's employer, agent of an employer, or other payer.

(d) An employer, agent of an employer, or other payer is not required to withhold Strongsville income tax with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of either the corporation with respect to whose stock the option has been issued or of such corporation's successor entity.

(e) (1) An employee is not relieved from liability for a tax by the failure of the employer, agent of an employer, or other payer to withhold the tax as required under this chapter or by the employer's, agent's, or other payer's exemption from the requirement to withhold the tax.

(2) The failure of an employer, agent of an employer, or other payer to remit to Strongsville the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer, agent, or other payer in connection with the failure to remit the tax withheld.

(f) Compensation deferred before June 26, 2003, is not subject to Strongsville income tax or income tax withholding requirement to the extent the deferred compensation does not constitute qualifying wages at the time the deferred compensation is paid or distributed.

(g) Each employer, agent of an employer, or other payer required to withhold taxes is liable for the payment of that amount required to be withheld, whether or not such taxes have been withheld, and such amount shall be deemed to be held in trust for Strongsville until such time as the withheld amount is remitted to the Tax Administrator.

(h) On or before the last day of February of each year, an employer shall file a withholding reconciliation return with the Tax Administrator listing:

(1) The names, addresses, and social security numbers of all employees from whose qualifying wages tax was withheld or should have been withheld for Strongsville during the preceding calendar year;

(2) The amount of tax withheld, if any, from each such employee, the total amount of qualifying wages paid to such employee during the preceding calendar year;

(3) The name of every other municipal corporation for which tax was withheld or should have been withheld from such employee during the preceding calendar year;

(4) Any other information required for federal income tax reporting purposes on Internal Revenue Service form W-2 or its equivalent form with respect to such employee;

(5) Other information as may be required by the Tax Administrator.

(i) The officer or the employee of the employer, agent of an employer, or other payer with control or direct supervision of or charged with the responsibility for withholding the tax or filing the reports and making payments as required by this section, shall be personally liable for a failure to file a report or pay the tax due as required by this section. The dissolution of an employer, agent of an employer, or other payer does not discharge the officer's or employee's liability for a failure of the employer, agent of an employer, or other payer to file returns or pay any tax due.

(j) An employer is required to deduct and withhold Strongsville income tax on tips and gratuities received by the employer's employees and constituting qualifying wages, but only to the extent that the tips and gratuities are under the employer's control. For the purposes of this division, a tip or gratuity is under the employer's control if the tip or gratuity is paid by the customer to the employer for

subsequent remittance to the employee, or if the customer pays the tip or gratuity by credit card, debit card, or other electronic means.

(k) The Tax Administrator shall consider any tax withheld by an employer at the request of an employee, when such tax is not otherwise required to be withheld by this chapter, to be tax required to be withheld and remitted for the purposes of this section

Occasional Entrant - Withholding.

3. (a) As used in this division:

(1) "Employer" includes a person that is a related member to or of an employer.

(2) "Fixed location" means a permanent place of doing business in this state, such as an office, warehouse, storefront, or similar location owned or controlled by an employer.

(3) "Principal place of work" means the fixed location to which an employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location, "principal place of work" means the worksite location in this state to which the employee is required to report for employment duties on a regular and ordinary basis. If the employee is not required to report for employment duties on a regular and ordinary basis to a fixed location or worksite location, "principal place of work" means the location in this state at which the employee spends the greatest number of days in a calendar year performing services for or on behalf of the employer's employer.

If there is not a single municipal corporation in which the employee spent the "greatest number of days in a calendar year" performing services for or on behalf of the employer, but instead there are two or more municipal corporations in which the employee spent an identical number of days that is greater than the number of days the employee spent in any other municipal corporation, the employer shall allocate any of the employee's qualifying wages subject to division 3(b)(1)(i) of this section among those two or more municipal corporations. The allocation shall be made using any fair and reasonable method, including, but not limited to, an equal allocation among such municipal corporations or an allocation based upon the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this division shall be the employee's "principal place of work" with respect to those qualifying wages for the purposes of this section.

For the purposes of this division, the location at which an employee spends a particular day shall be determined in accordance with division 3(b)(2) of this section, except that "location" shall be substituted for "municipal corporation" wherever "municipal corporation" appears in that division.

(4) "Professional athlete" means an athlete who performs services in a professional athletic event for wages or other remuneration.

(5) "Professional entertainer" means a person who performs services in the professional performing arts for wages or other remuneration on a per-event basis.

(6) "Public figure" means a person of prominence who performs services at discrete events, such as speeches, public appearances, or similar events, for wages or other remuneration on a per-event basis.

(7) "Worksite location" means a construction site or other temporary worksite in this state at which the employer provides services for more than 20 days during the calendar year. "Worksite location" does not include the home of an employee.

(b) (1) Subject to divisions 3(c), (e) and (f) of this section, an employer is not required to withhold Strongsville income tax on qualifying wages paid to an employee for the performance of personal services in the City of Strongsville if the employee performed such services in Strongsville on 20 or fewer days in a calendar year, unless one of the following conditions applies:

(i) The employee's principal place of work is located in Strongsville.

(ii) The employee performed services at one or more presumed worksite locations in Strongsville. For the purposes of this division, "presumed worksite location" means a construction site or other temporary worksite in Strongsville at which the employer provides or provided services that can reasonably be, or would have been, expected by the employer to last more than 20 days in a calendar year. Services can "reasonably be expected by the employer to last more than 20 days" if either of the following applies at the time the services commence:

(aaa) The nature of the services are such that it will require more than 20 days of the services to complete the services;

(bbb) The agreement between the employer and its customer to perform services at a location requires the employer to perform the services at the location for more than 20 days.

(iii) The employee is a resident of Strongsville and has requested that the employer withhold tax from the employee's qualifying wages as provided in Section 881.04.

(iv) The employee is a professional athlete, professional entertainer, or public figure, and the qualifying wages are paid for the performance of services in the employee's capacity as a professional athlete, professional entertainer, or public figure.

(2) For the purposes of division 3(b)(1) of this section, an employee shall be considered to have spent a day performing services in Strongsville only if the employee spent more time performing services for or on behalf of the employer in Strongsville than in any other municipal corporation on that day. For the purposes of determining the amount of time an employee spent in a particular location, the time spent performing one or more of the following activities shall be considered to have been spent at the employee's principal place of work:

(i) Traveling to the location at which the employee will first perform services for the employer for the day;

(ii) Traveling from a location at which the employee was performing services for the employer to any other location;

(iii) Traveling from any location to another location in order to pick up or load, for the purpose of transportation or delivery, property that has been purchased, sold, assembled, fabricated, repaired, refurbished, processed, remanufactured, or improved by the employee's employer;

(iv) Transporting or delivering property described in division 3(b)(2)(iii) of this section, provided that, upon delivery of the property, the employee does not temporarily or permanently affix the property to real estate owned, used, or controlled by a person other than the employee's employer;

(v) Traveling from the location at which the employee makes the employee's final delivery or pick-up for the day to either the employee's principal place of work or a location at which the employee will not perform services for the employer.

(c) If the principal place of work of an employee is located in another Ohio municipal corporation that imposes an income tax, the exception from withholding requirements described in division 3(b)(1) of this section shall apply only if, with respect to the employee's qualifying wages described in that division, the employer withholds and remits tax on such qualifying wages to that municipal corporation.

(d) (1) Except as provided in division 3(d)(2) of this section, if, during a calendar year, the number of days an employee spends performing personal services in Strongsville exceeds the 20-day threshold, the employer shall withhold and remit tax to Strongsville for any subsequent days in that calendar year on which the employer pays qualifying wages to the employee for personal services performed in Strongsville.

(2) An employer required to begin withholding tax for the City of Strongsville under division 3(d)(1) of this section may elect to withhold tax for Strongsville for the first 20 days on which the employer paid qualifying wages to the employee for personal services performed in Strongsville.

(e) If an employer's fixed location is in Strongsville and the employer qualifies as a small employer as defined in Section 881.02, the employer shall withhold municipal income tax on all of the employee's qualifying wages for a taxable year and remit that tax only to Strongsville, regardless of the number of days which the employee worked outside the corporate boundaries of Strongsville.

To determine whether an employer qualifies as a small employer for a taxable year, the employer will be required to provide the Tax Administrator with the employer's federal income tax return for the preceding taxable year.

(f) Divisions 3(b)(1) and (d) of this section shall not apply to the extent that a Tax Administrator and an employer enter into an agreement regarding the manner in which the employer shall comply with the requirements of Section 881.04.

881.05 ANNUAL RETURN; FILING.

1. An annual City of Strongsville income tax return shall be completed and filed by every individual taxpayer eighteen (18) years of age or older and any taxpayer that is not an individual for each taxable year for which the taxpayer is subject to the tax, whether or not a tax is due thereon.

(a) The Tax Administrator may accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer under Section 881.04 of this chapter when the nonresident individual taxpayer's sole income subject to the tax is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due to Strongsville.

(b) Retirees having no Municipal Taxable Income for Strongsville income tax purposes may file with the Tax Administrator a written exemption from these filing requirements on a form prescribed by the Tax Administrator. The written exemption shall indicate the date of retirement and the entity from which retired. The exemption shall be in effect until such time as the retiree receives Municipal Taxable Income taxable to the City of Strongsville, at which time the retiree shall be required to comply with all applicable provisions of this chapter.

2. If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

3. If an individual is unable to complete and file a return or notice required by Strongsville, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

4. Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust.

5. Strongsville shall permit spouses to file a joint return.

6. (a) Each return required to be filed under this division shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer. The return shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.

(b) The Tax Administrator shall require a taxpayer who is an individual to include, with each annual return, and amended return, copies of the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040; and, with respect to an amended tax return, any other documentation necessary to support the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the Tax Administrator unless the Tax Administrator requests such copies after the return has been filed.

(c) The Tax Administrator may require a taxpayer that is not an individual to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio Business Gateway or in some other manner shall either mail the documents required under this division to the Tax Administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio Business Gateway.

(d) After a taxpayer files a tax return, the Tax Administrator may request, and the taxpayer shall provide, any information, statements, or documents required by the City to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division 6 of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Administrator.

7. (a) (1) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the Tax Administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of Section 5747.08 of the ORC. The taxpayer shall complete and file the return or notice on forms

prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the City of Strongsville. No remittance is required if the net amount due is ten dollars (\$10.00) or less.

(2) Except as otherwise provided in this chapter, each annual net profit return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the Tax Administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the City of Strongsville. No remittance is required if the net amount due is ten dollars (\$10.00) or less.

(b) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of Strongsville's income tax return. The extended due date of Strongsville's income tax return shall be the 15th day of the tenth month after the last day of the taxable year to which the return relates. An extension of time to file under this division is not an extension of the time to pay any tax due unless the Tax Administrator grants an extension of that date.

(1) A copy of the federal extension request shall be included with the filing of Strongsville's income tax return.

(2) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the Tax Administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's Strongsville income tax return. If the request is received by the Tax Administrator on or before the date the Strongsville income tax return is due, the Tax Administrator shall grant the taxpayer's requested extension.

(c) If the tax commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of Section 5747.08 of the ORC, a taxpayer shall automatically receive an extension for the filing of Strongsville's income tax return. The extended due date of Strongsville's income tax return shall be the same as the extended due date of the state income tax return.

(d) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by Strongsville, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this division, including taxpayers not otherwise required to file annual returns.

(e) To the extent that any provision in this division 7 of this section conflicts with any provision in divisions 14, 15, 16 or 17 of this section, the provisions in divisions 14, 15, 16 or 17 prevail.

8. (a) For taxable years beginning after 2015, Strongsville shall not require a taxpayer to remit tax with respect to net profits if the net amount due is ten dollars (\$10.00) or less.

(b) Any taxpayer not required to remit tax to Strongsville for a taxable year pursuant to division 8(a) of this section shall file with Strongsville an annual net profit return under division 6(c) of this section.

9. If a payment is required to be made by electronic funds transfer, the payment is considered to be made when the payment is credited to an account designated by the Tax Administrator for the receipt of tax payments, except that, when a payment made by electronic funds transfer is delayed due to circumstances not under the control of the taxpayer, the payment is considered to be made when the

taxpayer submitted the payment. This division shall not apply to payments required to be made under division 2(a)(1) of Section 881.04 or provisions for semi-monthly withholding.

10. Taxes withheld for the City of Strongsville by an employer, the agent of an employer, or other payer as described in Section 881.04 shall be allowed to the taxpayer as credits against payment of the tax imposed on the taxpayer by Strongsville, unless the amounts withheld were not remitted to Strongsville and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.

11. Each return required by Strongsville to be filed in accordance with this division shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the Tax Administrator about matters pertaining to the return.

12. The Tax Administrator shall accept for filing a generic form of any income tax return, report, or document required by Strongsville, provided that the generic form, once completed and filed, contains all of the information required by ordinance, resolution, or rules and regulations adopted by Strongsville or the Tax Administrator, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this chapter and of Strongsville's ordinance, resolution, or rules and regulations governing the filing of returns, reports, or documents.

Filing via Ohio Business Gateway.

13. (a) Any taxpayer subject to municipal income taxation with respect to the taxpayer's net profit from a business or profession may file Strongsville's income tax return, estimated municipal income tax return, or extension for filing a municipal income tax return, and may make payment of amounts shown to be due on such returns, by using the Ohio Business Gateway.

(b) Any employer, agent of an employer, or other payer may report the amount of municipal income tax withheld from qualifying wages, and may make remittance of such amounts, by using the Ohio Business Gateway.

(c) Nothing in this section affects the due dates for filing employer withholding tax returns.

Extension for service in or for the Armed Forces.

14. Each member of the National Guard of any state and each member of a reserve component of the Armed Forces of the United States called to active duty pursuant to an executive order issued by the President of the United States or an act of the Congress of the United States, and each civilian serving as support personnel in a combat zone or contingency operation in support of the Armed Forces, may apply to the Tax Administrator of Strongsville for both an extension of time for filing of the return and an extension of time for payment of taxes required by Strongsville during the period of the member's or civilian's duty service, and for 180 days thereafter. The application shall be filed on or before the one hundred eightieth day after the member's or civilian's duty terminates. An applicant shall provide such evidence as the Tax Administrator considers necessary to demonstrate eligibility for the extension.

15. (a) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the Tax Administrator shall enter into a contract with the applicant for the payment of the tax in installments that begin on the 181st day after the applicant's active duty or service terminates. The Tax Administrator may prescribe such contract terms as the Tax Administrator considers appropriate. However, taxes pursuant to a contract entered into under this division are not delinquent, and the Tax

Administrator shall not require any payments of penalties or interest in connection with those taxes for the extension period.

(b) If the Tax Administrator determines that an applicant is qualified for an extension under this section, the applicant shall neither be required to file any return, report, or other tax document nor be required to pay any tax otherwise due to the municipal corporation before the 181st day after the applicant's active duty or service terminates.

(c) Taxes paid pursuant to a contract entered into under 15(a) of this division are not delinquent. The Tax Administrator shall not require any payments of penalties or interest in connection with those taxes for the extension period.

16. (a) Nothing in this division denies to any person described in this division the application of divisions 14 and 15 of this section.

(b) (1) A qualifying taxpayer who is eligible for an extension under the Internal Revenue Code shall receive both an extension of time in which to file any return, report, or other tax document and an extension of time in which to make any payment of taxes required by a municipal corporation in accordance with this chapter. The length of any extension granted under division 16(b)(1) of this section shall be equal to the length of the corresponding extension that the taxpayer receives under the Internal Revenue Code. As used in this division, "qualifying taxpayer" means a member of the national guard or a member of a reserve component of the armed forces of the United States called to active duty pursuant to either an executive order issued by the President of the United States or an act of the Congress of the United States, or a civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces.

(2) Taxes whose payment is extended in accordance with division 16(b)(1) of this section are not delinquent during the extension period. Such taxes become delinquent on the first day after the expiration of the extension period if the taxes are not paid prior to that date. The Tax Administrator shall not require any payment of penalties or interest in connection with those taxes for the extension period. The Tax Administrator shall not include any period of extension granted under division 16(b)(1) of this section in calculating the penalty or interest due on any unpaid tax.

17. For each taxable year to which division 14, 15, or 16 of this section applies to a taxpayer, the provisions of divisions 15(b) and (c) of this section, as applicable, apply to the spouse of that taxpayer if the filing status of the spouse and the taxpayer is married filing jointly for that year.

Consolidated municipal income tax return.

18. As used in this section:

(a) "Affiliated group of corporations" means an affiliated group as defined in Section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.

(b) "Consolidated federal income tax return" means a consolidated return filed for federal income tax purposes pursuant to Section 1501 of the Internal Revenue Code.

(c) "Consolidated federal taxable income" means the consolidated taxable income of an affiliated group of corporations, as computed for the purposes of filing a consolidated federal income tax return, before consideration of net operating losses or special deductions. "Consolidated federal taxable income" does not include income or loss of an incumbent local exchange carrier that is excluded from the affiliated group under division 18(a) of this section.

(d) "Incumbent local exchange carrier" has the same meaning as in Section 4927.01 of the ORC.

(e) "Local exchange telephone service" has the same meaning as in Section 5727.01 of the ORC.

19. (a) For taxable years beginning on or after January 1, 2016, a taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated municipal income tax return for a taxable year if at least one member of the affiliated group of corporations is subject to Strongsville's income tax in that taxable year, and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year. The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law. The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated municipal income tax returns under division 19(b) of this section or a taxpayer receives permission from the Tax Administrator. The Tax Administrator shall approve such a request for good cause shown.

(b) An election to discontinue filing consolidated municipal income tax returns under this section must be made in the first year following the last year of a five-year consolidated municipal income tax return election period in effect under division 19(a) of this section. The election to discontinue filing a consolidated municipal income tax return is binding for a five-year period beginning with the first taxable year of the election.

(c) An election made under division 19(a) or (b) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.

20. A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated Strongsville income tax return for that taxable year if the Tax Administrator determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to Strongsville. A taxpayer that is required to file a consolidated Strongsville income tax return for a taxable year shall file a consolidated Strongsville income tax return for all subsequent taxable years, unless the taxpayer requests and receives written permission from the Tax Administrator to file a separate return or a taxpayer has experienced a change in circumstances.

21. A taxpayer shall prepare a consolidated Strongsville income tax return in the same manner as is required under the United States Department of Treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.

22. (a) Except as otherwise provided in divisions 22(b), (c) and (d) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in Section 881.02, by substituting "consolidated federal taxable income" for "federal taxable

income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.

(b) No corporation filing a consolidated Strongsville income tax return shall make any adjustment otherwise required under Section 881.02/division 2(a) to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.

(c) If the net profit or loss of a pass-through entity having at least eighty percent (80%) of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated Strongsville income tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:

(1) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in divisions 18 through 25 of Section 881.05, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to Strongsville. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(2) Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in divisions 18 through 25 of Section 881.05, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to Strongsville. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.

(d) If the net profit or loss of a pass-through entity having less than eighty percent (80%) of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:

(1) The corporation filing the consolidated municipal income tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in divisions 18 through 25 of Section 881.05, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to Strongsville;

(2) The pass-through entity shall be subject to Strongsville income taxation as a separate taxpayer in accordance with this chapter on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

23. Corporations filing a consolidated Strongsville income tax return shall make the computations required under divisions 18 through 25 of Section 881.05 by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.

24. Each corporation filing a consolidated Strongsville income tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts imposed by Strongsville in

accordance with this chapter on the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.

25. Corporations and their affiliates that made an election or entered into an agreement with Strongsville before January 1, 2016, to file a consolidated or combined tax return with Strongsville may continue to file consolidated or combined tax returns in accordance with such election or agreement for taxable years beginning on and after January 1, 2016.

SECTION 881.06 CREDIT FOR TAX PAID TO OTHER MUNICIPALITIES.

1. Every individual taxpayer domiciled in Strongsville who is required to and does pay, or has acknowledged liability for, a municipal tax to another municipality on or measured by the same income, qualifying wages, commissions, net profits or other compensation taxable under this chapter, may claim a nonrefundable credit against the tax imposed by this chapter upon satisfactory evidence that tax has been paid to another municipality. Subject to division 3 of this section, the credit shall not exceed seventy-five percent (75%) *of the amount obtained by multiplying the income, qualifying wages, commissions, net profits or other compensation subject to tax in the other municipality by the LOWER of the tax rate in such other municipality OR the tax rate imposed under this chapter.*

2. Strongsville shall grant a credit against its tax on income to a resident of Strongsville who works in a joint economic development zone created under Section 715.691 or a joint economic development district created under Section 715.70, 715.71, or 715.72 of the ORC to the same extent that it grants a credit against its tax on income to its residents who are employed in another municipal corporation.

3. If the amount of tax withheld or paid to the other municipality is less than the amount of tax required to be withheld or paid to the other municipality, then for purposes of division 1 of this section, "the income, qualifying wages, commissions, net profits or other compensation" subject to tax in the other municipality shall be limited to the amount computed by dividing the tax withheld or paid to the other municipality by the tax rate for that municipality.

4. Intentionally left blank.

SECTION 881.07 ESTIMATED TAXES.

1. As used in this section:

(a) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's tax liability for Strongsville's income tax for the current taxable year.

(b) "Tax liability" means the total taxes due to Strongsville for the taxable year, after allowing any credit to which the taxpayer is entitled, and after applying any estimated tax payment, withholding payment, or credit from another taxable year.

2. (a) Every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the Tax Administrator, if the amount payable as estimated taxes is at least \$200. For the purposes of this section:

(1) Taxes withheld for Strongsville from qualifying wages shall be considered as paid to Strongsville in equal amounts on each payment date unless the taxpayer establishes the dates on which all

amounts were actually withheld, in which case they shall be considered as paid on the dates on which the amounts were actually withheld.

(2) An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, "date of the postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(b) Taxpayers filing joint returns shall file joint declarations of estimated taxes. A taxpayer may amend a declaration under rules prescribed by the Tax Administrator. A taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the Tax Administrator.

(c) The declaration of estimated taxes shall be filed on or before the date prescribed for the filing of municipal income tax returns under division 7 of Section 881.05 or on or before the fifteenth (15th) day of the fourth month after the taxpayer becomes subject to tax for the first time.

(d) Taxpayers reporting on a fiscal year basis shall file a declaration on or before the fifteenth (15th) day of the fourth month after the beginning of each fiscal year or period.

(e) The original declaration or any subsequent amendment may be increased or decreased on or before any subsequent quarterly payment day as provided in this section.

3. (a) The required portion of the tax liability for the taxable year that shall be paid through estimated taxes made payable to Strongsville, including the application of tax refunds to estimated taxes and withholding on or before the applicable payment date, shall be as follows:

(1) On or before the fifteenth (15th) day of the fourth month after the beginning of the taxable year, twenty-two and one-half (22.5) percent of the tax liability for the taxable year;

(2) On or before the fifteenth (15th) day of the sixth month after the beginning of the taxable year, forty-five (45) percent of the tax liability for the taxable year;

(3) On or before the fifteenth (15th) day of the ninth month after the beginning of the taxable year, sixty-seven and one-half (67.5) percent of the tax liability for the taxable year;

(4) On or before the fifteenth (15th) day of the twelfth month of the taxable year, ninety percent (90%) of the tax liability for the taxable year.

(b) When an amended declaration has been filed, the unpaid balance shown due on the amended declaration shall be paid in equal installments on or before the remaining payment dates.

(c) On or before the fifteenth (15th) day of the fourth month of the year following that for which the declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due shall be paid with the return in accordance with Section 881.05.

4. (a) In the case of any underpayment of any portion of a tax liability, penalty and interest may be imposed pursuant to Section 881.18 upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division 5 of this section. The amount of the underpayment shall be determined as follows:

(1) For the first payment of estimated taxes each year, twenty-two and one-half percent (22.5%) of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(2) For the second payment of estimated taxes each year, forty-five percent (45%) of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(3) For the third payment of estimated taxes each year, sixty-seven and one-half percent (67.5%) of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(4) For the fourth payment of estimated taxes each year, ninety percent (90%) of the tax liability, less the amount of taxes paid by the date prescribed for that payment.

(b) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.

5. An underpayment of any portion of tax liability determined under division 4 of this section shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:

(a) The amount of estimated taxes that were paid equals at least ninety percent (90%) of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.

(b) The amount of estimated taxes that were paid equals at least one hundred percent (100%) of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a return with Strongsville under Section 881.05 for that year.

(c) The taxpayer is an individual who resides in Strongsville but was not domiciled there on the first day of January of the calendar year that includes the first day of the taxable year.

SECTION 881.08 ROUNDING OF AMOUNTS.

A person may round to the nearest whole dollar all amounts the person is required to enter on any return, report, voucher, or other document required under this chapter. Any fractional part of a dollar that equals or exceeds fifty cents shall be rounded to the next whole dollar, and any fractional part of a dollar that is less than fifty cents shall be dropped. If a person chooses to round amounts entered on a document, the person shall round all amounts entered on the document.

SECTION 881.09 REQUESTS FOR REFUNDS.

1. As used in this section, "withholding tax" has the same meaning as in Section 881.18.

2. Upon receipt of a request for a refund, the Tax Administrator, in accordance with this section, shall refund to employers, agents of employers, other payers, or taxpayers, with respect to any income or withholding tax levied by the municipal corporation:

- (a) Overpayments of ten dollars (\$10.00) or more;
- (b) Amounts paid erroneously if the refund requested is ten dollars (\$10.00) or more.

3. (a) Except as otherwise provided in this chapter, requests for refund shall be filed with the Tax Administrator, on the form prescribed by the Tax Administrator within three years after the tax was due or paid, whichever is later. The Tax Administrator may require the requestor to file with the request any documentation that substantiates the requestor's claim for a refund.

(b) On filing of the refund request, the Tax Administrator shall determine the amount of refund due and certify such amount to the appropriate municipal corporation official for payment. Except as provided in division 3(c) of this section, the administrator shall issue an assessment to any taxpayer whose request for refund is fully or partially denied. The assessment shall state the amount of the refund that was denied, the reasons for the denial, and instructions for appealing the assessment.

(c) If a Tax Administrator denies in whole or in part a refund request included within the taxpayer's originally filed annual income tax return, the Tax Administrator shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the denial, and instructions for requesting an assessment that may be appealed under Section 881.21.

4. A request for a refund that is received after the last day for filing specified in division 3 of this section shall be considered to have been filed in a timely manner if any of the following situations exist:

(a) The request is delivered by the postal service, and the earliest postal service postmark on the cover in which the request is enclosed is not later than the last day for filing the request.

(b) The request is delivered by the postal service, the only postmark on the cover in which the request is enclosed was affixed by a private postal meter, the date of that postmark is not later than the last day for filing the request, and the request is received within seven days of such last day.

(c) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.

5. Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within 90 days after the final filing date of the annual return or 90 days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in Section 881.18/1(d).

SECTION 881.10 SECOND MUNICIPALITY IMPOSING TAX AFTER TIME PERIOD ALLOWED FOR REFUND.

1. Income tax that has been deposited with Strongsville, but should have been deposited with another municipality, is allowable by Strongsville as a refund but is subject to the three-year limitation on refunds.

2. Income tax that was deposited with another municipality but should have been deposited with Strongsville is subject to recovery by Strongsville. If Strongsville's tax on that income is imposed after the time period allowed for a refund of the tax or withholding paid to the other municipality, Strongsville shall allow a nonrefundable credit against the tax or withholding Strongsville claims is due with respect to such income or wages, equal to the tax or withholding paid to the first municipality with respect to such income or wages.

3. If Strongsville's tax rate is less than the tax rate in the other municipality, then the nonrefundable credit shall be calculated using Strongsville's tax rate. However, if Strongsville's tax rate is greater than the tax rate in the other municipality, the tax due in excess of the nonrefundable credit is to be paid to Strongsville, along with any penalty and interest that accrued during the period of nonpayment.

4. Nothing in this section permits any credit carryforward.

SECTION 881.11 AMENDED RETURNS.

1. (a) If a taxpayer's tax liability shown on the annual tax return for Strongsville changes as a result of an adjustment to the taxpayer's federal or state income tax return, the taxpayer shall file an amended return with Strongsville. The amended return shall be filed on a form required by the Tax Administrator.

(b) If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the Tax Administrator before filing the amended return.

2. (a) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due together with any penalty and interest thereon. If the combined tax shown to be due is ten dollars or less, no payment need be made. The amended return shall reopen those facts, figures, computations, or attachments from a previously filed return that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return only:

(1) to determine the amount of tax that would be due if all facts, figures, computations, and attachments were reopened; or,

(2) if the applicable statute of limitations for civil actions or prosecutions under Section 881.12 has not expired for a previously filed return.

(b) The additional tax to be paid shall not exceed the amount of tax that would be due if all facts, figures, computations, and attachments were reopened; namely, the payment shall be the lesser of the two amounts.

3. (a) In the case of an overpayment, a request for refund may be filed under this division within the period prescribed by division 4 of this Section for filing the amended return, even if it is filed beyond the period prescribed in that division if it otherwise conforms to the requirements of that division. If the amount of the refund is less than ten dollars, no refund need be paid by Strongsville. A request filed under this division shall claim refund of overpayments resulting from alterations only to those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return, unless it is also filed within the time prescribed in Section 881.09.

(b) The amount to be refunded shall not exceed the amount of refund that would be due if all facts, figures, computations, and attachments were reopened. All facts, figures, computations, and attachments may be reopened to determine the refund amount due by inclusion of all facts, figures, computations, and attachments.

4. Within 60 days after the final determination of any federal or state tax liability affecting the taxpayer's Strongsville's tax liability, that taxpayer shall make and file an amended Strongsville return showing income subject to Strongsville income tax based upon such final determination of federal or state tax liability. The taxpayer shall pay any additional Strongsville income tax shown due thereon or make a claim for refund of any overpayment, unless the tax or overpayment is less than ten dollars (\$10.00).

SECTION 881.12 LIMITATIONS.

1. (a) (1) Civil actions to recover municipal income taxes and penalties and interest on municipal income taxes shall be brought within the later of:

(i) Three years after the tax was due or the return was filed, whichever is later; or

(ii) One year after the conclusion of the qualifying deferral period, if any.

(2) The time limit described in division 1(a)(1) of this section may be extended at any time if both the Tax Administrator and the employer, agent of the employer, other payer, or taxpayer consent in writing to the extension. Any extension shall also extend for the same period of time the time limit described in division 3 of this section.

(b) As used in this section, "qualifying deferral period" means a period of time beginning and ending as follows:

(1) Beginning on the date a person who is aggrieved by an assessment files with the Board of Tax Review the request described in Section 881.21. That date shall not be affected by any subsequent decision, finding, or holding by any administrative body or court that the Board of Tax Review did not have jurisdiction to affirm, reverse, or modify the assessment or any part of that assessment.

(2) Ending the later of the sixtieth day after the date on which the final determination of the Board of Tax Review becomes final or, if any party appeals from the determination of the Board of Tax Review, the sixtieth day after the date on which the final determination of the Board of Tax Review is either ultimately affirmed in whole or in part or ultimately reversed and no further appeal of either that affirmation, in whole or in part, or that reversal is available or taken.

2. Prosecutions for an offense made punishable under a resolution or ordinance imposing an income tax shall be commenced within three years after the commission of the offense, provided that in the case of fraud, failure to file a return, or the omission of twenty-five percent (25%) or more of income required to be reported, prosecutions may be commenced within six years after the commission of the offense.

3. A claim for a refund of municipal income taxes shall be brought within the time limitation provided in Section 881.09.

4. (a) Notwithstanding the fact that an appeal is pending, the petitioner may pay all or a portion of the assessment that is the subject of the appeal. The acceptance of a payment by Strongsville does not prejudice any claim for refund upon final determination of the appeal.

(b) If upon final determination of the appeal an error in the assessment is corrected by the Tax Administrator, upon an appeal so filed or pursuant to a final determination of the Board of Tax Review, of the Ohio Board of Tax Appeals, or any court to which the decision of the Ohio Board of Tax Appeals has been appealed, so that the resultant amount due is less than the amount paid, a refund will be paid in the amount of the overpayment as provided by Section 881.09, with interest on that amount as provided by division 5 of Section 881.09.

5. No civil action to recover Strongsville income tax or related penalties or interest shall be brought during either of the following time periods:

(a) The period during which a taxpayer has a right to appeal the imposition of that tax or interest or those penalties;

(b) The period during which an appeal related to the imposition of that tax or interest or those penalties is pending.

SECTION 881.13 AUDITS.

1. At or before the commencement of an audit, the Tax Administrator shall provide to the taxpayer a written description of the roles of the Tax Administrator and of the taxpayer during the audit and a statement of the taxpayer's rights, including any right to obtain a refund of an overpayment of a tax. At or before the commencement of an audit, the Tax Administrator shall inform the taxpayer when the audit is considered to have commenced.

2. Except in cases involving suspected criminal activity, the Tax Administrator shall conduct an audit of a taxpayer during regular business hours and after providing reasonable notice to the taxpayer. A taxpayer who is unable to comply with a proposed time for an audit on the grounds that the proposed time would cause inconvenience or hardship must offer reasonable alternative dates for the audit.

3. At all stages of an audit by the Tax Administrator, a taxpayer is entitled to be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner. The Tax Administrator shall prescribe a form by which a taxpayer may designate such a person to assist or represent the taxpayer in the conduct of any proceedings resulting from actions by the Tax Administrator. If a taxpayer has not submitted such a form, the Tax Administrator may accept other evidence, as the Tax Administrator considers appropriate, that a person is the authorized representative of a taxpayer.

A taxpayer may refuse to answer any questions asked by the person conducting an audit until the taxpayer has an opportunity to consult with the taxpayer's attorney, accountant, bookkeeper, or other tax practitioner.

This division is not intended to nor does it authorize the practice of law by a person who is not an attorney.

4. A taxpayer may record, electronically or otherwise, the audit examination.

5. The failure of the Tax Administrator to comply with a provision of this section shall neither excuse a taxpayer from payment of any taxes owed by the taxpayer nor cure any procedural defect in a taxpayer's case.

6. If the Tax Administrator fails to substantially comply with the provisions of this section, the Tax Administrator, upon application by the taxpayer, shall excuse the taxpayer from penalties and interest.

SECTION 881.14 SERVICE OF ASSESSMENT.

1. As used in this section:

(a) "Last known address" means the address the Tax Administrator has at the time a document is originally sent by certified mail, or any address the Tax Administrator can ascertain using reasonable means such as the use of a change of address service offered by the postal service or an authorized delivery service under Section 5703.056 of the ORC.

(b) "Undeliverable address" means an address to which the postal service or an authorized delivery service under Section 5703.056 of the ORC is not able to deliver an assessment of the Tax Administrator, except when the reason for non-delivery is because the addressee fails to acknowledge or accept the assessment.

2. Subject to division 3 of this section, a copy of each assessment shall be served upon the person affected thereby either by personal service, by certified mail, or by a delivery service authorized under Section 5703.056 of the ORC. With the permission of the person affected by an assessment, the Tax Administrator may deliver the assessment through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail.

3. (a) (1) If certified mail is returned because of an undeliverable address, a Tax Administrator shall utilize reasonable means to ascertain a new last known address, including the use of a change of address service offered by the postal service or an authorized delivery service under Section 5703.056 of the ORC. If the Tax Administrator is unable to ascertain a new last known address, the assessment shall be sent by ordinary mail and considered served. If the ordinary mail is subsequently returned because of an undeliverable address, the assessment remains appealable within 60 days after the assessment's postmark.

(2) Once the Tax Administrator or other Strongsville official, or the designee of either, serves an assessment on the person to whom the assessment is directed, the person may protest the ruling of that assessment by filing an appeal with the local Board of Tax Review within 60 days after the receipt of service. The delivery of an assessment of the Tax Administrator under division 3(a)(1) of this section is prima facie evidence that delivery is complete and that the assessment is served.

(b) If mailing of an assessment by a Tax Administrator by certified mail is returned for some cause other than an undeliverable address, the Tax Administrator shall resend the assessment by ordinary mail. The assessment shall show the date the Tax Administrator sends the assessment and include the following statement:

"This assessment is deemed to be served on the addressee under applicable law ten days from the date this assessment was mailed by the Tax Administrator as shown on the assessment, and all periods within which an appeal may be filed apply from and after that date."

Unless the mailing is returned because of an undeliverable address, the mailing of that information is prima facie evidence that delivery of the assessment was completed ten days after the Tax Administrator sent the assessment by ordinary mail and that the assessment was served.

If the ordinary mail is subsequently returned because of an undeliverable address, the Tax Administrator shall proceed under division 3(a)(1) of this section. A person may challenge the presumption of delivery and service under this division in accordance with division 4 of this section.

4. (a) A person disputing the presumption of delivery and service under division 3 of this section bears the burden of proving by a preponderance of the evidence that the address to which the assessment was sent by certified mail was not an address with which the person was associated at the time the Tax Administrator originally mailed the assessment. For the purposes of this section, a person is associated with an address at the time the Tax Administrator originally mailed the assessment if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the assessment was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the assessment was mailed, owned or controlled at least twenty percent (20%), as determined by voting rights, of the addressee's business.

(b) If a person elects to appeal an assessment on the basis described in division 4(a) of this section, and if that assessment is subject to collection and is not otherwise appealable, the person must do so within sixty (60) days after the initial contact by the Tax Administrator or other City of Strongsville official, or the designee of either, with the person. Nothing in this division prevents the Tax Administrator or other official from entering into a compromise with the person if the person does not actually file such an appeal with the local board of tax review.

5. Nothing in this section prohibits the Tax Administrator or the Tax Administrator's designee from delivering an assessment by a Tax Administrator by personal service.

6. Collection actions taken upon any assessment being appealed under division 3(a)(2) of this section including those on which a claim has been delivered for collection, shall be stayed upon the pendency of an appeal under this section.

7. Additional regulations as detailed in the Rules and Regulations shall apply.

SECTION 881.15 ADMINISTRATION OF CLAIMS.

1. As used in this section, "claim" means a claim for an amount payable to Strongsville that arises pursuant to Strongsville's income tax imposed in accordance with this chapter.

2. Nothing in this chapter prohibits a Tax Administrator from doing either of the following if such action is in the best interests of the municipal corporation:

(a) Compromise a claim;

5. A compromise or payment-over-time agreement with respect to a claim shall be void if the taxpayer defaults under the compromise or agreement or if the compromise or agreement was obtained by fraud or by misrepresentation of a material fact. Any amount that was due before the compromise or agreement and that is unpaid shall remain due, and any penalties or interest that would have accrued in the absence of the compromise or agreement shall continue to accrue and be due.

SECTION 881.16 TAX INFORMATION CONFIDENTIAL.

1. Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by this chapter is confidential, and no person shall access or disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the City of Strongsville as authorized by this chapter. The Tax Administrator or a designee thereof may furnish copies of returns filed or otherwise received under this chapter and other related tax information to the internal revenue service, the tax commissioner, and tax administrators of other municipal corporations.

2. This section does not prohibit the City of Strongsville from publishing or disclosing statistics in a form that does not disclose information with respect to particular taxpayers.

SECTION 881.17 FRAUD.

No person shall knowingly make, present, aid, or assist in the preparation or presentation of a false or fraudulent report, return, schedule, statement, claim, or document authorized or required by Strongsville ordinance or state law to be filed with the Tax Administrator, or knowingly procure, counsel, or advise the preparation or presentation of such report, return, schedule, statement, claim, or document, or knowingly change, alter, or amend, or knowingly procure, counsel or advise such change, alteration, or amendment of the records upon which such report, return, schedule, statement, claim, or document is based with intent to defraud Strongsville or the Tax Administrator.

SECTION 881.18 INTEREST AND PENALTIES.

1. As used in this section:

2. (a) This section applies to the following:

(1) Any return required to be filed under applicable law for taxable years beginning on or after January 1, 2016;

(2) Income tax, estimated income tax, and withholding tax required to be paid or remitted to Strongsville on or after January 1, 2016.

(b) This section does not apply to returns required to be filed or payments required to be made before January 1, 2016, regardless of the filing or payment date. Returns required to be filed or payments required to be made before January 1, 2016, but filed or paid after that date shall be subject to the ordinances or rules and regulations, as adopted before January 1, 2016, of Strongsville to which the return is to be filed or the payment is to be made, including but not limited to Chapter 880 of Strongsville's Codified Ordinances.

3. Should any taxpayer, employer, agent of the employer, or other payer for any reason fail, in whole or in part, to make timely and full payment or remittance of income tax, estimated income tax, or withholding tax or to file timely with the City of Strongsville any return required to be filed, the following penalties and interest shall apply:

The penalty shall not exceed \$150 for each failure.

4. Nothing in this section requires Strongsville to refund or credit any penalty, amount of interest, charges, or additional fees that Strongsville has properly imposed or collected before January 1, 2016.

5. Nothing in this section limits the authority of Strongsville to abate or partially abate penalties or interest imposed under this section when the Tax Administrator determines, in the Tax Administrator's sole discretion, that such abatement is appropriate.

6. By the 31st day of October of each year Strongsville or its authorized agent shall publish the rate described in division 1 of this section applicable to the next succeeding calendar year.

7. Strongsville may impose on the taxpayer, employer, any agent of the employer, or any other payer Strongsville's post-judgment collection costs and fees, including attorney's fees.

SECTION 881.19 AUTHORITY OF TAX ADMINISTRATOR; VERIFICATION OF INFORMATION.

Authority.

1. Nothing in this chapter shall limit the authority of the Tax Administrator to perform any of the following duties or functions, unless the performance of such duties or functions is expressly limited by a provision of the ORC:

(a) (1) Exercise all powers whatsoever of a query nature as provided by law, including, the right to inspect books, accounts, records, memorandums, and federal and state income tax returns, to examine persons under oath, to issue orders or subpoenas for the production of books, accounts, papers, records, documents, and testimony, to take depositions, to apply to a court for attachment proceedings as for contempt, to approve vouchers for the fees of officers and witnesses, and to administer oaths.

(2) The powers referred to in this division of this section shall be exercised by the Tax Administrator only in connection with the performance of the duties respectively assigned to the Tax Administrator under Strongsville's income tax ordinance;

(c) Confer and meet with officers of other municipal corporations and states and officers of the United States on any matters pertaining to their respective official duties as provided by law;

(d) Exercise the authority provided by law, including orders from bankruptcy courts, relative to remitting or refunding taxes, including penalties and interest thereon, for any reason overpaid. In addition, the Tax Administrator may investigate any claim of overpayment and, if the Tax Administrator finds that there has been an overpayment, make a written statement of the Tax Administrator's findings, and approve and issue a refund payable to the taxpayer, the taxpayer's assigns, or legal representative as provided in this chapter;

(e) Exercise the authority provided by law relative to consenting to the compromise and settlement of tax claims;

(f) Exercise the authority provided by law relative to the use of alternative apportionment methods by taxpayers in accordance with Section 881.03;

(2) If an appeal has been filed with the Board of Tax Review or other appropriate tribunal, the Tax Administrator shall not review, re-determine, or correct any tax finding, determination, computation, or order which the Tax Administrator has made, unless such appeal or application is withdrawn by the appellant or applicant, is dismissed, or is otherwise final;

(h) Destroy any or all returns or other tax documents in the manner authorized by law;

(i) Enter into an agreement with a taxpayer to simplify the withholding obligations described in Section 881.04.

Verification of accuracy of returns and determination of liability.

2. (a) The Tax Administrator, or any authorized agent or employee thereof may examine the books, papers, records, and federal and state income tax returns of any employer, taxpayer, or other person that is subject to, or that the Tax Administrator believes is subject to, the provisions of this chapter for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due under this chapter. Upon written request by the Tax Administrator or a duly authorized agent or employee thereof, every employer, taxpayer, or other person subject to this section is required to furnish the opportunity for the Tax Administrator, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(b) The records and other documents of any taxpayer, employer, or other person that is subject to, or that a Tax Administrator believes is subject to, the provisions of this chapter shall be open to the Tax Administrator's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the Tax Administrator, in writing, consents to their destruction within that period, or by order requires that they be maintained longer. The Tax Administrator may require any person, by notice served on that person, to keep such records as the Tax Administrator determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by Strongsville or for the withholding of such tax.

(c) The Tax Administrator may examine under oath any person that the Tax Administrator reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The Tax Administrator may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal and state income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(d) No person issued written notice by the Tax Administrator compelling attendance at a hearing or examination or the production of books, papers, records, or federal or state income tax returns under this section shall fail to comply.

Identification information.

3. (a) Nothing in this chapter prohibits the Tax Administrator from requiring any person filing a tax document with the Tax Administrator to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the Tax Administrator. A person required by the Tax Administrator to provide identifying information that has experienced any change with respect to that information shall notify the Tax Administrator of the change before, or upon, filing the next tax document requiring the identifying information.

(b) (1) If the Tax Administrator makes a request for identifying information and the Tax Administrator does not receive valid identifying information within 30 days of making the request, nothing in this chapter prohibits the Tax Administrator from imposing a penalty upon the person to whom the request was directed pursuant to Section 881.18, in addition to any applicable penalty described in Section 881.99.

(2) If a person required by the Tax Administrator to provide identifying information does not notify the Tax Administrator of a change with respect to that information as required under division 3 of Section 881.19 within 30 days after filing the next tax document requiring such identifying information, nothing in this chapter prohibits the Tax Administrator from imposing a penalty pursuant to Section 881.18.

(3) The penalties provided for under divisions 3(b)(1) and (2) of this section may be billed and imposed in the same manner as the tax or fee with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in Section 881.99 for a violation of Section 881.17 and any other penalties that may be imposed by the Tax Administrator by law.

SECTION 881.20 REQUEST FOR OPINION OF THE TAX ADMINISTRATOR.

1. An "opinion of the Tax Administrator" means an opinion issued under this section with respect to prospective municipal income tax liability. It does not include ordinary correspondence of the Tax Administrator.

2. A taxpayer may submit a written request for an opinion of the Tax Administrator in accordance with the Rules and Regulations.

3. A taxpayer is not relieved of tax liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts.

4. A Tax Administrator may refuse to offer an opinion on any request received under this section. Such refusal is not subject to appeal.

5. An opinion of the Tax Administrator binds the Tax Administrator only with respect to the taxpayer for whom the opinion was prepared and does not bind the Tax Administrator of any other municipal corporation.

6. An opinion of the Tax Administrator issued under this section is not subject to appeal.

SECTION 881.21 BOARD OF TAX REVIEW.

1. (a) The Board of Tax Review shall consist of three members. Two members shall be appointed by the Council of the City of Strongsville, but such appointees may not be employees, elected officials, or contractors with Strongsville at any time during their term or in the five years immediately preceding the date of appointment. One member shall be appointed by the Mayor of Strongsville. This member may be an employee of Strongsville, but may not be the Director of Finance or equivalent officer, or the Tax Administrator or other similar official or an employee directly involved in municipal tax matters, or any direct subordinate thereof.

(b) The term for members of the Board of Tax Review of Strongsville shall be two years. There is no limit on the number of terms that a member may serve if the member is reappointed by the City Council. The board member appointed by the Mayor of Strongsville shall serve at the discretion of the Mayor.

(c) Members of the Board of Tax Review appointed by the City Council may be removed by the Council by majority vote for malfeasance, misfeasance, or nonfeasance in office. To remove such a member, the Council must give the member a copy of the charges against the member and afford the member an opportunity to be publicly heard in person or by counsel in the member's own defense upon not less than ten days' notice. The decision by the Council on the charges is final and not appealable.

(d) A member of the Board of Tax Review who, for any reason, ceases to meet the qualifications for the position prescribed by this section shall resign immediately by operation of law.

(e) A vacancy in an unexpired term shall be filled in the same manner as the original appointment within 60 days of when the vacancy was created. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy on the Board of Tax Review shall impair the power and authority of the remaining members to exercise all the powers of the Board of Tax Review.

(f) If a member is temporarily unable to serve on the Board of Tax Review due to a conflict of interest, illness, absence, or similar reason, the City Council or Mayor, as the case may be, that appointed the member shall appoint another individual to temporarily serve on the Board of Tax Review in the member's place. The appointment of such an individual shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.

2. Whenever a Tax Administrator issues an assessment, the Tax Administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the assessment, the manner in which the taxpayer may appeal the assessment, and the address to which the appeal should be directed.

3. Any person who has been issued an assessment may appeal the assessment to the Board of Tax Review by filing a request with the Board of Tax Review. The request shall be in writing, shall specify the reason or reasons why the assessment should be deemed incorrect or unlawful, and shall be filed within sixty (60) days after the taxpayer receives the assessment.

4. The Board of Tax Review shall schedule a hearing to be held within 60 days after receiving an appeal of an assessment under division 3 of this section, unless the taxpayer requests additional time to prepare or waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the Board of Tax Review and may be represented by an attorney at law, certified public accountant, or other representative. The Board of Tax Review may allow a hearing to be continued as jointly agreed to

by the parties. In such a case, the hearing must be completed within 120 days after the first day of the hearing unless the parties agree otherwise.

5. The Board of Tax Review may affirm, reverse, or modify the Tax Administrator's assessment or any part of that assessment. The Board of Tax Review shall issue a final determination on the appeal within 90 days after the Board of Tax Review's final hearing on the appeal, and send a copy of its final determination by ordinary mail to all of the parties to the appeal within 15 days after issuing the final determination. The taxpayer or the Tax Administrator may appeal the Board of Tax Review's final determination as provided in Section 5717.011 of the ORC.

6. The Board of Tax Review created pursuant to this section shall adopt rules governing its procedures and shall maintain a record of its transactions. Such records are not public records available for inspection under Section 149.43 of the ORC. Hearings requested by a taxpayer before a Board of Tax Review created pursuant to this section are not meetings of a public body subject to Section 121.22 of the ORC.

SECTION 881.22 AUTHORITY TO CREATE RULES AND REGULATIONS.

Nothing in this chapter prohibits the Council of the City of Strongsville, or the Tax Administrator pursuant to authority granted to the Administrator by resolution or ordinance, to adopt rules and regulations to administer an income tax imposed by Strongsville in accordance with this chapter. Such rules shall not conflict with or be inconsistent with any provision of this chapter. Taxpayers are hereby required to comply not only with the requirements of this chapter, but also to comply with such rules and regulations.

All rules and regulations adopted under this section shall be published and posted on the internet.

SECTION 881.23 RENTAL AND LEASED PROPERTY.

1. All property owners of real property located in the City of Strongsville, who rent or otherwise lease the same, or any part thereof, to any person for residential dwelling purposes, including apartments, rooms and other rental accommodations, during any calendar year, or part thereof, commencing with the effective date of this section, shall file with the Tax Administrator on or before the January 31st first following such calendar year a written report disclosing the name, address and also telephone number, if available, of each tenant known to have occupied on December 31st during such calendar year such apartment, room or other residential dwelling rental property.

2. The Tax Administrator may order the appearance before him/her, or the Administrator's duly authorized agent, of any person whom the Administrator believes to have any knowledge of the name, address and telephone number of any tenant of residential rental real property in the City of Strongsville. The Tax Administrator, or duly authorized agent, is authorized to examine any person, under oath, concerning the name, address and telephone number of any tenant of residential real property located in Strongsville. The Tax Administrator, or duly authorized agent, may compel the production of papers and records and the attendance of all personnel before such Administrator, whether as parties or witnesses, whenever the Administrator believes such person has knowledge of the name, address and telephone number of any tenant of residential real property in Strongsville.

SECTION 881.24 SAVINGS CLAUSE.

This chapter shall not apply to any person, firm or corporation, or to any property as to whom or which it is beyond the power of City Council to impose the tax herein provided for. Any sentence, clause, section or part of this chapter or any tax against or exception granted any individual or any of the several groups of persons, or forms of income specified herein if found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall affect only such clause, sentence, section or part of this chapter and shall not affect or impair any of the remaining provisions, sentences, clauses, sections or other parts of this chapter. It is hereby declared to be the intention of Council that this chapter would have been adopted had such unconstitutional, illegal or invalid sentence, or part hereof, not been included therein.

SECTION 881.25 COLLECTION OF TAX AFTER TERMINATION OF ORDINANCE.

1. This chapter shall continue effective insofar as the levy of taxes is concerned until repealed, and insofar as the collection of taxes levied hereunder and actions or proceedings for collecting any tax so levied or enforcing any provisions of this chapter are concerned, it shall continue effective until all of said taxes levied hereunder in the aforesaid periods are fully paid, and any and all suits and prosecutions for the collection of said taxes or for the punishment of violations of this chapter shall have been fully terminated, subject to the limitations contained in Section 881.12 and Section 881.99 hereof.

The City of Strongsville hereby adopts the Regional Income Tax Agency (RITA) Rules & Regulations, including amendments that may be made from time to time, for use as Strongsville's Income Tax Rules and Regulations. 2. Each business entity applying for a permit or license to perform work and/or services within the City shall first register with the Tax Administrator and provide such information as is required to comply with this code and the regulations of the Tax Administrator. No permit or license so applied for shall be issued until the Tax Administrator has certified that the business entity is in compliance.

SECTION 881.28 AUTHORIZATION TO PROVIDE NOTICE.

1. The Tax Administrator is authorized to provide notice, to the extent practicable, to each new residential property owner and occupant of the registration requirements of Section 881.27.

2. Each owner of a multifamily dwelling or residential rental property shall provide the Tax Administrator with the names and addresses of each adult tenant or lessee within fifteen (15) days from the date of the tenant's or the lessee's occupancy of the owner's premises, in order to afford the Tax Administrator the opportunity to provide notice of the requirements of this section.

(Ord. 2005-101. Passed 5-16-05.)

880.05 METHOD OF DETERMINATION OF ALLOCATION OF TAX.

In the taxation of income which is subject to the City income tax if the books and records of a taxpayer conducting a business or profession both within and without the City shall disclose with reasonable accuracy what portion of the net profit is attributable to that part of the business or profession conducted within the boundaries of the City, then only such portion shall be considered as having a taxable situs in the City for the purposes of municipal income taxation. The portion of the entire net profits of a taxpayer to be allocated as having been derived from within the City, in the absence of actual records thereof, shall be determined as follows:

Multiply the entire net profits by a business allocation percentage to be determined by a three-factor of property, payroll and sales, each of which shall be given equal weight, as follows:

- (a) The average original cost of the real and tangible personal property owned or used by the taxpayer in the business or profession in the City during the taxable period to the average original cost of all the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period wherever situated. Real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight.
- (b) Wages, salaries and other compensation paid during the taxable period to persons employed in the business or profession for services performed in the City to wages, salaries and other compensation paid during the same period to

persons employed in the business or profession, wherever their services are performed, excluding compensation that is not taxable by the City under Section 718.011 of the Ohio Revised Code.

- (c) Gross receipts of the business or profession from sales made and services performed during the taxable period in the City to gross receipts of the business or profession during the same period from sales and services, wherever made or performed.

In the event that the foregoing apportionment formula does not produce an equitable result, another basis may, under uniform regulations, be substituted so as to produce such result.

If the Tax Administrator approves the use of books and records as a substitute method, the following shall apply:

- (1) The net profits allocable to the City from business, professional or other activities conducted in the City by corporations or unincorporated entities, whether resident or non-resident, may be determined from the records of the taxpayer only if the taxpayer has bona fide records which disclose with reasonable accuracy what portion of his net profits is attributable to that part of his activities conducted within the City.
- (2) If the books and records of the taxpayer are used as the basis for apportioning net profits, a statement must accompany the return explaining the manner in which such apportionment is made in sufficient detail to enable the Tax Administrator to determine whether the net profits attributable to the City are apportioned with reasonable accuracy.
- (3) In determining the income allocable to the City from the books and records of a taxpayer, an adjustment may be made for the contribution made to the production of such income by headquarters activities of the taxpayer, whether such headquarters is within or without the City.

880.07 TOTAL ALLOCATION.

Add together the percentages determined in accordance with Section 880.05(a) to (c) or such of the aforesaid percentages as are applicable to the particular taxpayer, and divide the total so obtained by the number of percentages used in deriving such total in order to obtain the business allocation percentage referred to in Section 880.05.
